FIBER OPTIC REPLACEMENT RODS Safety Instruction Guide

Introduction

Thank you for choosing the FIBER OPTIC REPLACEMENT RODS. This guide provides essential safety instructions and information to ensure the safe use of the product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Always handle the replacement rods with care to avoid injury.
- Inspect the rods for any visible damage before installation.
- Ensure that the rods are compatible with your fiber optic sights.
- Keep the product out of reach of children to prevent accidental ingestion or injury.
- Use only as intended; do not modify the product.
- Report any unsafe product conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

• Potential Hazards:

- Sharp edges may be present on cut ends; handle with caution.
- Improper installation can lead to sight misalignment, affecting accuracy.

• Avoiding Hazards:

- Always wear protective gloves when handling the rods.
- Follow installation instructions carefully to ensure proper fit and alignment.
- Do not use broken or damaged rods; replace them immediately.

• AgeSpecific Warnings:

- This product is not intended for use by children under 12 years of age without adult supervision.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools: scissors or a cutting tool, and protective gloves.
- Choose the desired color (red or green) and length (6 inches).

2. Cutting the Rods:

- Measure the required length for your sight.
- Using scissors or a cutting tool, cut the rod to the desired length. Ensure the cut is clean to avoid sharp edges.

3. Installation:

- Remove the damaged rod from the sight carefully.
- Insert the new replacement rod into the sight.
- Ensure a snug fit to prevent movement during use.

- Check alignment and make adjustments as necessary.

4. Final Checks:

- Inspect the installation to ensure that the rod is securely in place.
- Test the sight for proper function before use.

Disposal Instructions

- Dispose of any damaged or broken rods in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any questions or concerns regarding the product or safety issues, please refer to your local EU contact point or safety authority. Always stay updated on recall notices and safety alerts through the EU's Safety Gate platform.

By following these safety instructions, you can ensure a safe and effective use of your FIBER OPTIC REPLACEMENT RODS. Thank you for your attention to safety!
