

# G10 PILLAR BEDDING SLEEVES - BROWNELLS LONG G10 PILLAR BEDDING SLEEVE

[Gunsmith Tools](#) > [Stock Work & Finishing](#) > [Pillar Bedding](#) > [Pillar Bedding Sleeves](#)

## Stable In Hot & Cold Weather; Easy To Machine

Machined fiberglass bedding sleeves provide a solid fit between bottom metal and action to maximize accuracy from a hunting or target rifle. G10 can't corrode and is highly resistant to dimensional changes from extreme heat or cold conditions, so these sleeves won't shift due to temperature fluctuations. Easy to machine for custom stock work and fitting to Remington or round-bottom actions. Work best when installed using Brownells ACraglas® family of bedding epoxies. Exterior grooves maximize gripping area for epoxy to guarantee that even frequent disassembly won't loosen these sleeves.

## Attributes

- Name: [BROWNELLS LONG G10 PILLAR BEDDING SLEEVE](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 080000743

# G10 Pillar Bedding Sleeves Safety Instructions

## Introduction

Thank you for choosing the G10 Pillar Bedding Sleeves by Brownells. These bedding sleeves are designed to enhance the accuracy of your hunting or target rifle. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle all tools and equipment with care.
- Ensure a clear workspace free from clutter and distractions.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when working with tools and materials.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- In case of an accident or injury, seek medical attention immediately.

## Specific Safety Precautions for Use

- Ensure that the bedding sleeves are compatible with your firearm's bottom metal and action.
- Do not exceed the recommended installation length; ensure proper fit to avoid shifting during use.
- Use only the recommended Brownells ACRAGLAS® family of bedding epoxies for installation.
- Avoid exposure to extreme heat or cold conditions beyond the product specifications to maintain structural integrity.
- When disassembling the rifle, handle the sleeves with care to prevent damage.
- If you notice any unusual behavior from your firearm after installation, discontinue use and consult a professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including the G10 Pillar Bedding Sleeves and recommended epoxy.
- Ensure your workspace is clean and organized.

### 2. Measuring and Cutting:

- Measure the required length for your specific application.
- Cut the G10 Pillar Bedding Sleeve to fit as necessary.

### 3. Installation:

- Apply a thin layer of the recommended epoxy to the exterior grooves of the bedding sleeve.
- Insert the bedding sleeve into the bottom metal and action, ensuring a snug fit.
- Allow the epoxy to cure according to the manufacturer's instructions.

### 4. Final Assembly:

- Reassemble your rifle, ensuring all components are properly aligned and secured.
- Check the fit of the bedding sleeves after assembly.

### 5. PostInstallation Checks:

- Inspect the installation to ensure that the bedding sleeves are secure and that there are no loose components.
- Test the rifle in a safe environment to confirm proper function.

## **Disposal Instructions**

- Dispose of any unused or excess bedding sleeves and epoxy according to local regulations.
- Do not dispose of the product in household waste. Check for local recycling programs or hazardous waste disposal sites.
- Ensure that all packaging materials are recycled or disposed of in an environmentally friendly manner.

## **Contact Information for Further Support**

For any inquiries related to safety or product support, please contact the manufacturer or your local distributor. Ensure you have the product details at hand for quicker assistance.

Thank you for prioritizing safety while using the G10 Pillar Bedding Sleeves. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
