SILICONE GUN OIL SAFETY INSTRUCTIONS

Introduction

Thank you for choosing Brownells Rusty's Rags Silicone Gun Oil. This product is designed to help maintain your firearms by providing a protective layer against rust and fingerprints. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always store the product out of reach of children and pets.
- Use in a wellventilated area to avoid inhalation of vapors.
- Avoid contact with eyes and skin. In case of contact, rinse thoroughly with water.
- Do not ingest. If swallowed, seek medical attention immediately.
- Dispose of the product and its container in accordance with local regulations.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before applying the silicone oil.
- Do not apply the oil to hot surfaces or near open flames.
- Use gloves if you have sensitive skin or are prone to allergic reactions.
- Test the product on a small, inconspicuous area of the cloth or surface before full application to check for any adverse reactions.
- Keep the product away from food and beverages.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and placed on a stable surface.
- Have a clean, dry cloth ready for application.

2. Application:

- Open the fliptop bottle.
- Apply a few drops of silicone oil directly onto the cloth or surface.
- Wipe the surface of the firearm gently, ensuring even coverage.
- Focus on hardtoreach areas to ensure full protection.

3. PostApplication:

- Allow the oil to penetrate for a few minutes.
- Wipe off any excess oil with a clean cloth to avoid a slippery surface.
- Store the bottle in a cool, dry place when not in use.

Disposal Instructions

- Dispose of any unused product and its container in accordance with local environmental regulations.
- Do not pour down the drain or dispose of in regular household waste.

Contact Information for Further Support
