

# HK-STYLE SPRING SNAP SLING HOOK - BROWNELLS 1 1/4" HK-STYLE SLING SNAP HOOK

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

## Rugged, Clip-On Sling Attachment For Long Guns

Heavy-duty steel sling clip enables quick attachment and removal of a tactical sling. Fits any long gun with eyelet or ring-type sling attachment point that accepts an HK-style snap hook. Overbuilt with reinforced stress points for worry-free carry, even in extreme operational conditions. Pronounced grooves on the snap jaw ensure a non-slip finger contact. Strong internal spring keeps the jaw securely closed. Ideal for use with Brownells Low-Profile Ambidextrous or A2 Single-Point Sling Adapters, available separately. Models available for 1" or 1 1/4" slings.

# HKSTYLE SPRING SNAP SLING HOOK SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the HKStyle Spring Snap Sling Hook. This product is designed for secure and efficient attachment of tactical slings to long guns. Please read this safety instruction guide thoroughly to ensure safe and effective use.

## General Safety Guidelines

- Ensure that the sling hook is compatible with your long gun's attachment points.
- Regularly inspect the sling hook for signs of wear or damage before each use.
- Always use the sling hook in accordance with the manufacturer's instructions.
- Keep the sling hook out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not exceed the recommended weight limit of the sling hook.
- Ensure the internal spring is functioning properly to keep the snap jaw securely closed.
- Avoid using the sling hook in extreme conditions that may compromise its integrity.
- Do not modify or alter the sling hook in any way.
- Always check that the snap jaw is fully engaged before carrying your firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the eyelet or ringtype sling attachment point on your long gun.
- Align the snap hook with the attachment point.
- Press the snap jaw to open and securely attach it to the sling attachment point.
- Release the snap jaw to ensure it locks into place.

### 2. Usage:

- When using the sling hook, ensure that it is properly attached and that the long gun is secure.
- Carry the firearm in a safe manner, ensuring that the sling hook is not under undue stress.
- Avoid sudden movements that could dislodge the snap hook from its attachment point.

## Disposal Instructions

- Dispose of the sling hook in accordance with local regulations.
- Do not dispose of the sling hook in regular household waste if it is damaged or no longer functional.
- Consider recycling the metal components where possible.

## Contact Information for Further Support

For any questions or concerns regarding the HKStyle Spring Snap Sling Hook, please refer to the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety while using the HKStyle Spring Snap Sling Hook. Your adherence to these guidelines will help ensure a safe and effective experience.
