

HK-STYLE SPRING SNAP SLING HOOK - BROWNELLS 1" HK-STYLE SLING SNAP HOOK

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

Rugged, Clip-On Sling Attachment For Long Guns

Heavy-duty steel sling clip enables quick attachment and removal of a tactical sling. Fits any long gun with eyelet or ring-type sling attachment point that accepts an HK-style snap hook. Overbuilt with reinforced stress points for worry-free carry, even in extreme operational conditions. Pronounced grooves on the snap jaw ensure a non-slip finger contact. Strong internal spring keeps the jaw securely closed. Ideal for use with Brownells Low-Profile Ambidextrous or A2 Single-Point Sling Adapters, available separately. Models available for 1" or 1¼" slings.

Safety Instruction Guide for HKSTYLE SPRING SNAP SLING HOOK

Introduction

Thank you for choosing the HKSTYLE SPRING SNAP SLING HOOK by Brownells. This product is designed for heavyduty use with tactical slings on long guns. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the sling hook is compatible with your firearm and sling type.
- Regularly inspect the sling hook for any signs of wear, damage, or corrosion.
- Do not exceed the recommended weight limit for your sling setup.
- Always ensure that the sling hook is securely attached before use.
- Keep the sling hook away from children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- When attaching the sling hook, ensure that it is fully engaged and locked in place.
- Avoid using the sling hook in extreme conditions that may compromise its integrity.
- Do not modify the sling hook or use it for purposes other than intended.
- If the sling hook shows signs of failure or malfunction, discontinue use immediately.
- Always handle the sling hook with care to prevent accidental release.

Instructions for Installation and Usage

1. **Compatibility Check:** Ensure that your firearm has an eyelet or ringtype sling attachment point that accepts an HKstyle snap hook.
2. **Attachment:**
 - Open the snap jaw by pressing the release mechanism.
 - Attach the sling hook to the eyelet or ring on your firearm.
 - Ensure that the hook is fully engaged and that the snap jaw is securely closed.
3. **Usage:**
 - Adjust the sling to your preferred length.
 - Ensure that the sling is properly positioned for comfort and accessibility.
 - Regularly check the attachment during use to ensure it remains secure.
4. **Removal:**
 - To detach the sling hook, press the release mechanism and carefully remove the hook from the attachment point.
 - Store the sling hook in a safe place when not in use.

Disposal Instructions

- Dispose of the sling hook in accordance with local regulations.
- If the sling hook is damaged or no longer usable, do not throw it in regular waste. Instead, consider recycling it where possible.

Contact Information for Further Support

For any safety inquiries or additional support regarding the HKSTYLE SPRING SNAP SLING HOOK, please refer to the appropriate contact points provided by the manufacturer.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using your HKSTYLE SPRING SNAP SLING HOOK.
