Safety Instruction Guide for SOCKET HEAD CAP & SET SCREW KIT BROWNELLS 632X3/4"

Introduction

Thank you for purchasing the SOCKET HEAD CAP & SET SCREW KIT BROWNELLS 632X3/4". This guide provides essential safety information and instructions for the safe use and disposal of the product. Please read and follow these guidelines carefully to ensure your safety and the safety of others.

General Safety Guidelines

- Always use the product in accordance with the intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any visible damage before use. If any damage is found, do not use the product.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that you are using the correct size and type of screw for your application.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling screws.
- Avoid overtightening screws, as this may lead to material failure or injury.
- Do not use the screws in applications for which they are not designed.
- If you experience any discomfort or adverse reactions while using the product, discontinue use immediately and seek medical advice.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials before starting.
- Ensure your work area is clean and free of hazards.

2. Selecting the Right Screw

- Choose the appropriate size and length of socket head cap screw or set screw based on your project requirements.
- Refer to the product specifications for available sizes:
 - Cap screws: 440 x 3/4", 632 x 3/4", 832 x 1", 1032 x 1 1/2", 1/420 x 1 1/2", 1/428 x 1 1/2".
 - Set screws: 440 x 1/8", 632 x 3/16", 832 x 1/4", 1032 x 5/16", 1/420 x 3/8", 1/428 x 3/8".

3. Installation

- Align the screw with the predrilled hole or the area where it will be installed.
- Use a suitable driver to insert the screw. Ensure the driver fits the screw head properly.
- Tighten the screw until secure, but do not overtighten.

4. Usage

- Use the installed screws as intended in your application.
- Regularly check the screws for tightness and integrity during use.

Disposal Instructions

- Dispose of any unused or damaged screws in accordance with local regulations.
- Do not dispose of screws in regular household waste if they contain hazardous materials.
- Consider recycling options for metal screws if available in your area.

Contact Information for Further Support

For any safety inquiries or additional support regarding this product, please consult the retailer or manufacturer from whom you purchased the product. They will provide you with the necessary assistance and information.

Thank you for choosing the SOCKET HEAD CAP & SET SCREW KIT BROWNELLS 632X3/4". Your safety is our priority.
