# Safety Instruction Guide for SOCKET HEAD CAP &amp; SET SCREW KIT BROWNELLS 1032X11/2" SOCKET HEAD CAP SCREWS

## Introduction

Thank you for purchasing the SOCKET HEAD CAP &amp; SET SCREW KIT from BROWNELLS. This guide provides important safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before use to avoid any potential hazards.

## General Safety Guidelines

- Ensure that the product is used for its intended purpose only.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the screws for any signs of damage or wear before use.
- Store the screws in a cool, dry place to prevent corrosion and damage.
- Dispose of any damaged screws immediately to avoid accidents.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling screws.
- Use the correct size and type of screw for your application to prevent stripping or breaking.
- Do not exceed the recommended torque specifications when tightening screws.
- Avoid using screws in environments where they may be exposed to extreme temperatures or corrosive substances.
- If a screw becomes stuck, do not force it; use appropriate tools to safely remove it.

## Instructions for Installation and Usage

1. **Preparation:**

   - Gather all necessary tools, including a screwdriver or wrench suitable for the size of the screws you are using.
   - Ensure that the surface where the screws will be installed is clean and free of debris.

2. **Installation:**

   - Select the appropriate screw size from the kit (e.g., Cap screws 440 x ¾", 632 x ¾", 832 x 1", 1032 x 1½", ¼20 x 1½", ¼28 x 1½").
   - Align the screw with the predrilled hole or the part you are fastening.
   - Insert the screw and use the screwdriver or wrench to tighten it securely, following the recommended torque specifications.
   - If using set screws (e.g., 440 x 1⁄8", 632 x 3⁄16", 832 x ¼", 1032 x 5⁄16", ¼20 x 3⁄8", ¼28 x 3⁄8"), ensure they are properly seated to avoid loosening.

3. **PostInstallation:**

   - After installation, check that all screws are tightened and secure.
   - Regularly inspect screws during use to ensure they remain tight and undamaged.

# Disposal Instructions

- Dispose of any unused or damaged screws in accordance with local regulations.
- Do not dispose of screws in a manner that could pose a hazard to the environment or public safety.
- If you are unsure about disposal methods, consult local waste management authorities for guidance.

# Contact Information for Further Support

For any inquiries or concerns regarding the safety and usage of the SOCKET HEAD CAP &amp; SET SCREW KIT, please consult the manufacturer's contact information provided on the product packaging or visit the manufacturer's website.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your SOCKET HEAD CAP &amp; SET SCREW KIT. Thank you for your attention to safety.
