

SILICONE CLEANING CLOTH - BROWNELLS RIFLE SILICON CLEANING CLOTH

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Rust Prevention](#)

Cleans, Protects & Preserves Firearm Finishes Like New

Extra-thick, silicone-impregnated, sheepskin cloth cleans and protects your valuable firearms so they'll stay looking like new. Advanced silicone formula easily removes corrosive fingerprints, dirt, dust, and grime, making it ideal for wiping down your firearms before they go back in the case or on the gun rack. Leaves behind a long-lasting, protective flim for advanced moisture resistance and rust protection. Works on wood, metal, and plastic surfaces. Features a 1" thick, super-soft sheepskin pad with leather backing, plus a flannel cloth to help wipe away any excess silicone. Includes instructions and plastic bag for convenient storage. Rifle Silicon Gun Cloth intended for larger firearms.

Safety Instruction Guide for SILICONE CLEANING CLOTH BROWNELLS RIFLE SILICON CLEANING CLOTH

Introduction

Thank you for choosing the SILICONE CLEANING CLOTH BROWNELLS RIFLE SILICON CLEANING CLOTH. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read this document carefully before use to ensure maximum safety and efficiency.

General Safety Guidelines

- Ensure safe use of the SILICONE CLEANING CLOTH by following all instructions provided.
- Be aware of potential hazards associated with improper use.
- Regularly check for product recalls and safety updates via the EU Safety Gate platform.
- If you experience any issues or have concerns about the product, report them to the appropriate authorities.
- Keep the product out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- Do not use the cleaning cloth on hot surfaces or firearms that have recently been fired.
- Avoid using the cloth on surfaces that may be damaged by silicone or moisture.
- Ensure that the cloth is clean and free from debris before using it on firearms.
- Store the cleaning cloth in a cool, dry place away from direct sunlight.
- Use the cloth only for its intended purpose of cleaning and protecting firearms.
- Avoid inhaling any dust or particles that may be released from the cloth during use.

Instructions for Installation and Usage

1. Preparation:

- Remove the SILICONE CLEANING CLOTH from its packaging.
- Inspect the cloth for any visible damage. Do not use if damaged.

2. Cleaning Process:

- Ensure that the firearm is unloaded and safe to handle before cleaning.
- Use the flannel side of the cloth to wipe down the firearm, removing dirt, dust, and fingerprints.
- For stubborn grime, apply gentle pressure while wiping.
- After cleaning, use the silicone-impregnated side to provide a protective layer on the firearm.

3. Post-Use Care:

- Store the cloth in the provided plastic bag to maintain its effectiveness.
- Keep it in a safe location, away from children and pets.

Disposal Instructions

- Dispose of the SILICONE CLEANING CLOTH in accordance with local waste management regulations.
- Do not incinerate the cloth as it may release harmful fumes.
- If the cloth is heavily soiled or damaged, consider disposing of it responsibly.

Contact Information for Further Support

For any questions regarding the use of the SILICONE CLEANING CLOTH BROWNELLS RIFLE SILICON CLEANING CLOTH, please refer to the manufacturer's contact information included in the product packaging. This ensures that you receive accurate and timely support.

By following these safety instructions, you can ensure the safe and effective use of your SILICONE CLEANING CLOTH. Thank you for taking the time to read this guide, and enjoy the benefits of keeping your firearms clean and protected.
