

# O-RING CLEANING JAGS - TCS .25/6.35MM CLEANING JAG

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

## Increases Patch Pressure On Bore For Improved Cleaning Action

Solid aluminum jags with rubber O-rings are ideal for cleaning the bore of your gun without worrying about damaging the rifling. O-rings press patch firmly into bore surface for efficient cleaning action on powder, lead, copper, and plastic fouling. For use with patches, steel wool, and bronze wool. Shotgun and Black Powder jags are color coded; Rifle/Handgun jags are numbered for easy identification. In order to use TCS Manufacturing jags, you must use round patches that are .015" thick.

## Attributes

# ORING CLEANING JAGS TCS Safety Instruction Guide

## Introduction

Thank you for choosing the ORING CLEANING JAGS TCS .25/6.35MM CLEANING JAG. This product is designed to effectively clean the bore of your firearm while ensuring the integrity of the rifling. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use. Always follow the instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about product recalls. If a recall occurs, follow the provided instructions for remedies.
- **Online Shopping:** If purchased online, ensure the seller complies with safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of children.
- **EU Contact Point:** For any safety inquiries, please refer to the product packaging for information on contacting the manufacturer.
- **Rapid Alerts:** Be aware of updates on unsafe products through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- The cleaning jags may pose risks if misused, such as injury from improper handling or damage to the firearm.

- **Avoiding Hazards:**

- Always handle the cleaning jags with care.
- Do not use the jags with damaged patches or materials.
- Ensure the firearm is unloaded before cleaning.
- Use only round patches that are .015" thick with this product.

- **Age Restrictions:**

- This product is not suitable for individuals under the age of 18. Ensure proper supervision if used by inexperienced users.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure the firearm is completely unloaded and pointed in a safe direction.
2. Select the appropriate cleaning jag for your caliber.
3. Attach the cleaning jag to the cleaning rod by threading it securely.

- **Usage:**

1. Prepare a cleaning patch that is .015" thick.
2. Insert the patch into the cleaning jag, ensuring it is pressed firmly against the rubber O-ring.
3. Insert the cleaning jag into the bore of the firearm.

4. Move the cleaning rod back and forth gently to clean the bore. Avoid excessive force to prevent damage.
5. After cleaning, remove the jag and patch from the bore.
6. Inspect the bore for cleanliness and repeat the process if necessary.

- **PostUse Care:**

- Clean the jags after use to maintain their effectiveness.
- Store the jags in a dry place, away from children and pets.

## Disposal Instructions

- Dispose of any used cleaning patches and materials in accordance with local regulations.
- Do not dispose of the cleaning jags in regular household waste. Check local recycling guidelines for metal products.

## Contact Information for Further Support

For any questions or concerns regarding the ORING CLEANING JAGS TCS, please refer to the product packaging for the manufacturer's contact information. It is essential to reach out for assistance to ensure safe and proper use of the product.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your ORING CLEANING JAGS TCS. Thank you for your attention to safety.
