

# O-RING CLEANING JAGS - TCS .284/7MM CLEANING JAG

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

## Increases Patch Pressure On Bore For Improved Cleaning Action

Solid aluminum jags with rubber O-rings are ideal for cleaning the bore of your gun without worrying about damaging the rifling. O-rings press patch firmly into bore surface for efficient cleaning action on powder, lead, copper, and plastic fouling. For use with patches, steel wool, and bronze wool. Shotgun and Black Powder jags are color coded; Rifle/Handgun jags are numbered for easy identification. In order to use TCS Manufacturing jags, you must use round patches that are .015" thick.

## Safety Instruction Guide

### Introduction

Thank you for choosing the ORing Cleaning Jags TCS .284/7MM Cleaning Jag. This product is designed to effectively clean the bore of your firearm while ensuring the safety and integrity of the rifling. To ensure safe and effective use, please read this safety instruction guide carefully.

### General Safety Guidelines

- **Product Safety:** Always ensure that the cleaning jag is used as intended to prevent accidents and injuries.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the EU's designated contact points.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates regarding unsafe products.

### Specific Safety Precautions for Use

- **Hazard Identification:**
  - Risk of injury if the jag is used improperly.
  - Potential damage to the firearm if the jag is not compatible.
- **Avoiding Hazards:**
  - Always ensure that the firearm is unloaded before cleaning.
  - Use only round patches that are .015" thick with this cleaning jag.
  - Do not use the jag on firearms that are not compatible with the specified caliber.
- **AgeSpecific Warnings:**
  - This product is intended for adult use only. Ensure that children do not handle the cleaning jag.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather all necessary cleaning supplies, including patches and cleaning solvents.

#### 2. Installation:

- Attach the cleaning jag to the cleaning rod by screwing it onto the male threads (832 tpi, or 1032 tpi for .50 BP).
- Ensure the jag is securely fastened to prevent detachment during use.

#### 3. Usage:

- Select a round patch that is .015" thick.

- Insert the patch into the cleaning jag.
- Gently insert the jag into the bore of the firearm, ensuring that it is aligned properly.
- Use a backandforth motion to clean the bore, applying appropriate cleaning solvent as needed.
- After cleaning, remove the jag and patch, and inspect the bore for any remaining fouling.

#### **4. PostUsage Care:**

- Clean the jag after each use to prevent buildup of fouling.
- Store the cleaning jag in a safe and dry place, away from children.

## **Disposal Instructions**

- Dispose of used patches and cleaning materials according to local regulations.
- Do not dispose of the cleaning jag in regular household waste. Follow local guidelines for the disposal of metal products.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the ORing Cleaning Jags TCS .284/7MM Cleaning Jag, please consult the appropriate EU contact points for safety and product information.

By following these guidelines, you can ensure a safe and effective cleaning experience with your ORing Cleaning Jags TCS .284/7MM Cleaning Jag. Thank you for your attention to safety.
