

AR-15 STOCK ASSY COLLAPSIBLE MIL-SPEC - BROWNELLS BRN AR-15 MIL-SPEC COLLAPSIBLE STOCK ASSEMBLY BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

Collapsible buttstock similar to the current US GI M4 carbine stock provides convenient six-position length-of-pull adjustment to fit different-size shooters, including those wearing body armor. Ready to install on any standard AR-15 rifle or carbine lower receiver; includes buffer tube, receiver lock plate, lock nut, toe-mounted steel sling loop, carbine recoil spring and buffer. Buttstock is made from extremely tough, fiberglass-reinforced, injection-molded nylon to resist impact, heat, moisture, extreme cold, and most cleaning solvents. Steel lock nut has four square notches and pre-cut detents for staking to lock plate. Available with Mil-Spec (nominal 1.14" O.D.) receiver extension tube. Stock interior diameter is matched to buffer tube O.D. for a snug fit that eliminates unwanted play and rattles.

Safety Instruction Guide for AR15 Stock Assembly Collapsible MilSpec

Introduction

Thank you for choosing the AR15 Stock Assembly Collapsible MilSpec. This product is designed for safe and effective use with AR15 rifles and carbines. Please read this safety instruction guide carefully to ensure proper installation, usage, and disposal of the product.

General Safety Guidelines

- Ensure that the stock assembly is compatible with your specific AR15 model before installation.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Inspect the stock assembly for any damage or defects before use. Do not use if damaged.
- Keep the stock assembly out of reach of children and unauthorized users.
- Report any unsafe products or accidents related to this stock assembly to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the stock assembly with a compatible AR15 lower receiver.
- Make sure the stock is securely attached before using the firearm.
- Avoid using the stock assembly in extreme conditions that may affect its performance, such as excessive heat or moisture.
- Do not modify the stock assembly in any way that may compromise its safety or functionality.
- When adjusting the length of pull, do so slowly to avoid pinching fingers or causing injury.
- Always wear appropriate safety gear, such as eye protection, when using firearms.

Instructions for Installation and Usage

Installation

1. Ensure that the firearm is unloaded and pointed in a safe direction.
2. Remove the existing stock if applicable, following the manufacturer's instructions.
3. Install the buffer tube onto the lower receiver, ensuring it is properly aligned.
4. Attach the stock assembly to the buffer tube, ensuring it is securely locked in place.
5. Install the receiver lock plate and lock nut, using the provided steel sling loop for additional security.
6. Check that the stock assembly is functioning correctly by adjusting it through all six positions.

Usage

1. Adjust the length of pull to fit your body size and comfort by pressing the adjustment lever and sliding the stock to the desired position.
2. Ensure that the stock is locked in place before firing the weapon.
3. After use, clean the stock assembly with a damp cloth to remove dirt and debris.

Disposal Instructions

- Dispose of the stock assembly in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, contact your local waste disposal service for guidance on safe disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the AR15 Stock Assembly Collapsible MilSpec, please refer to the manufacturer's website or customer service for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your AR15 Stock Assembly. Thank you for your attention to safety.
