

# SHOTGUN CLEANING ROD GUIDES - BROWNELLS 20 GAUGE

## SHOTGUN CLEANING ROD GUIDE

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

### Ensures Proper Rod Alignment & Protects The Bore

Machined Delrin® rod guide ensures correct alignment of the rod and prevents the rod from contacting the barrel walls and possibly causing damage. In use, the guide slips onto the cleaning rod before installing the brush or mop, then it is inserted into the chamber end along with the tip of the rod. Safe to use with cleaning solvents or lubricants, and cannot scratch or mar the chamber in any way. Models available to fit 12, 20, and 28 gauge, plus .410 bore. The Extended 12 gauge guide has an extra 5" of length and is used for semi-auto and pump gun barrels with long extensions.

# SHOTGUN CLEANING ROD GUIDES SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the SHOTGUN CLEANING ROD GUIDES by BROWNELLS. This product is designed to provide effective cleaning for your shotgun while ensuring safety and ease of use. Please read this safety instruction guide carefully to ensure proper handling and usage.

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the cleaning rod guide for any signs of damage before use.
- Use the product only for its intended purpose, as specified in this manual.
- Be aware of your surroundings and ensure that no one is in the vicinity of the shotgun while cleaning.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

## Specific Safety Precautions for Use

- Ensure that the shotgun is unloaded before inserting the cleaning rod guide.
- Use the cleaning rod guide only with compatible gauges (12, 20, 28 gauge, and .410 bore).
- Avoid using excessive force when inserting or removing the cleaning rod guide.
- Do not use the product if it shows signs of wear or damage.
- Do not use the cleaning rod guide with solvents or lubricants that are not recommended for firearm cleaning.
- Always wear appropriate safety gear, such as gloves and eye protection, when handling cleaning solvents.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the shotgun is completely unloaded.
- Gather all necessary cleaning supplies, including the cleaning rod, brush or mop, and the cleaning rod guide.

### 2. Installation

- Slide the cleaning rod guide onto the cleaning rod before attaching the brush or mop.
- Insert the tip of the cleaning rod into the chamber end of the shotgun, along with the cleaning rod guide.

### 3. Cleaning

- Use gentle, consistent pressure when moving the cleaning rod back and forth to clean the barrel.
- Avoid excessive force which may cause damage to the shotgun or the cleaning rod guide.

### 4. PostCleaning

- Remove the cleaning rod guide and brush or mop from the shotgun.
- Clean the cleaning rod guide after each use to ensure longevity.
- Store the cleaning rod guide in a safe and dry location, away from children.

## **Disposal Instructions**

- Dispose of the cleaning rod guide in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste if it is damaged or no longer usable.
- Consider recycling options where available.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the SHOTGUN CLEANING ROD GUIDES, please refer to the contact information provided with your product packaging or visit the manufacturer's website for assistance.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your SHOTGUN CLEANING ROD GUIDES. Thank you for your attention to safety and proper usage.
