

# SHOTGUN CLEANING ROD GUIDES - BROWNELLS 28 GAUGE

## SHOTGUN CLEANING ROD GUIDE

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

### Ensures Proper Rod Alignment & Protects The Bore

Machined Delrin® rod guide ensures correct alignment of the rod and prevents the rod from contacting the barrel walls and possibly causing damage. In use, the guide slips onto the cleaning rod before installing the brush or mop, then it is inserted into the chamber end along with the tip of the rod. Safe to use with cleaning solvents or lubricants, and cannot scratch or mar the chamber in any way. Models available to fit 12, 20, and 28 gauge, plus .410 bore. The Extended 12 gauge guide has an extra 5" of length and is used for semi-auto and pump gun barrels with long extensions.

# SHOTGUN CLEANING ROD GUIDE SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the SHOTGUN CLEANING ROD GUIDE by BROWNELLS. This product is designed to ensure safe and effective cleaning of your shotgun. Please read this safety instruction guide carefully before use to ensure your safety and the proper functioning of the product.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before using the cleaning rod guide.
- Keep the cleaning rod guide and all cleaning supplies out of reach of children.
- Use the product only for its intended purpose as described in this manual.
- Do not modify the cleaning rod guide in any way.
- Regularly inspect the cleaning rod guide for any signs of wear or damage before use.
- If you notice any damage, discontinue use immediately and replace the product.

## Specific Safety Precautions for Use

- Ensure that the cleaning rod is properly aligned with the cleaning rod guide to prevent damage to the barrel.
- Use only compatible cleaning supplies that are safe for use with Delrin materials.
- Avoid using excessive force when inserting the cleaning rod guide into the chamber. This could cause damage to the firearm or the guide itself.
- Do not use the cleaning rod guide in a manner that is inconsistent with the manufacturer's instructions.
- If using cleaning solvents or lubricants, ensure they are safe for use with your firearm and the cleaning rod guide.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your shotgun is completely unloaded.
- Gather your cleaning rod, brush or mop, and the cleaning rod guide.

### 2. Installation:

- Slide the cleaning rod guide onto the cleaning rod before attaching the brush or mop.
- Insert the cleaning rod guide into the chamber end of the shotgun, ensuring the tip of the rod is also inserted.

### 3. Cleaning:

- Once the cleaning rod guide is properly positioned, proceed to clean the shotgun using the brush or mop as needed.
- Avoid any sideways movement that could misalign the rod and guide.

### 4. PostCleaning:

- After cleaning, carefully remove the cleaning rod guide from the chamber.
- Clean and store the cleaning rod guide and other cleaning supplies properly.

## **Disposal Instructions**

- Dispose of the cleaning rod guide in accordance with local regulations.
- Do not dispose of the cleaning rod guide in regular household waste if it is damaged or no longer usable.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the SHOTGUN CLEANING ROD GUIDE, please refer to the manufacturer's website or contact their customer service.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective cleaning experience with your SHOTGUN CLEANING ROD GUIDE. Always prioritize safety and proper usage to maintain the integrity of your firearm and the cleaning equipment. Thank you for your attention to these important guidelines.
