

SHOTGUN CLEANING ROD GUIDES - BROWNELLS 12 GAUGE 5" EXTENDED SHOTGUN CLEANING ROD GUIDE

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

Ensures Proper Rod Alignment & Protects The Bore

Machined Delrin® rod guide ensures correct alignment of the rod and prevents the rod from contacting the barrel walls and possibly causing damage. In use, the guide slips onto the cleaning rod before installing the brush or mop, then it is inserted into the chamber end along with the tip of the rod. Safe to use with cleaning solvents or lubricants, and cannot scratch or mar the chamber in any way. Models available to fit 12, 20, and 28 gauge, plus .410 bore. The Extended 12 gauge guide has an extra 5" of length and is used for semi-auto and pump gun barrels with long extensions.

SHOTGUN CLEANING ROD GUIDES BROWNELLS 12 GAUGE 5" EXTENDED SHOTGUN CLEANING ROD GUIDE Safety Instruction Guide

Introduction

Thank you for choosing the SHOTGUN CLEANING ROD GUIDES BROWNELLS 12 GAUGE 5" EXTENDED SHOTGUN CLEANING ROD GUIDE. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective cleaning experience for your shotgun. Please read this guide thoroughly before using the product.

General Safety Guidelines

- Always ensure the shotgun is unloaded before cleaning.
- Use the cleaning rod guide according to the manufacturer's instructions to avoid damage to the firearm.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the cleaning rod and guide for any signs of wear or damage before each use.
- Store the cleaning rod guide in a safe, dry place when not in use.
- Do not use the cleaning rod guide with any cleaning solvents or lubricants that are not recommended by the manufacturer.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure proper alignment of the cleaning rod and guide to prevent contact with the barrel walls.
- Use the guide only with compatible shotgun gauges: 12, 20, 28, and .410 bore.
- The Extended 12 gauge guide is specifically designed for semiauto and pump gun barrels with long extensions. Ensure compatibility before use.
- Avoid excessive force when inserting or removing the cleaning rod guide to prevent damage.
- Do not attempt to modify the cleaning rod guide in any way.

Instructions for Installation and Usage

1. Preparation:

- Ensure the shotgun is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the cleaning rod, brush, or mop.

2. Attaching the Guide:

- Slip the cleaning rod guide onto the cleaning rod before installing the brush or mop.
- Ensure it is securely attached and aligned properly.

3. Inserting the Guide:

- Insert the cleaning rod guide into the chamber end of the shotgun, along with the tip of the cleaning rod.
- Ensure that the guide is seated properly in the chamber to maintain correct alignment.

4. Cleaning:

- Proceed with your cleaning routine, using recommended cleaning solvents or lubricants.
- Avoid applying excessive pressure that could cause damage to the barrel or guide.

5. Removing the Guide:

- After cleaning, carefully remove the cleaning rod from the chamber.
- Detach the cleaning rod guide from the cleaning rod.

Disposal Instructions

- Dispose of the cleaning rod guide and any associated materials in accordance with local regulations.
- Do not dispose of the product in household waste if it can be recycled.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the safety and use of the SHOTGUN CLEANING ROD GUIDES BROWNELLS 12 GAUGE 5" EXTENDED SHOTGUN CLEANING ROD GUIDE, please refer to the manufacturer's contact information provided with the product packaging.

By following the guidelines outlined in this safety instruction guide, you can ensure a safe and effective cleaning experience with your shotgun cleaning rod guide. Thank you for your attention to these important safety measures.
