# Safety Instruction Guide for ACID BRUSH BROWNELLS #1

## Introduction

Thank you for choosing the ACID BRUSH BROWNELLS #1. This brush is designed for various applications in your workshop, including spreading glue, applying stains, and cleaning tools. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always use the brush for its intended purpose to prevent accidents.
- Keep the brush out of reach of children and pets.
- Inspect the brush before each use for any damage or wear.
- Do not use the brush with hazardous materials unless specified.
- Ensure your workspace is clean and free of obstructions.

## Specific Safety Precautions for Use

- Handle with care to avoid injury from bristles.
- Use appropriate personal protective equipment (PPE) such as gloves and safety goggles when necessary.
- Avoid inhaling dust or particles that may be released during use.
- Do not use the brush near open flames or in high-temperature environments.
- If using with chemicals, ensure proper ventilation in your workspace.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your workspace is clean and organized.
- Gather all materials needed for your task.

### 2. Using the Brush

- Hold the brush by the rolled tin handle for a secure grip.
- Dip the bristles into the adhesive, stain, or other material as needed.
- Apply the material evenly using gentle strokes.
- After use, clean the brush thoroughly with suitable solvents to maintain its condition.

### 3. Storage

- Store the brush in a dry place, away from direct sunlight and extreme temperatures.
- Keep the bristles protected to maintain their shape and effectiveness.

## Disposal Instructions

- Dispose of the brush in accordance with local regulations.
- If the brush is damaged or no longer usable, consider recycling if possible.
- Do not dispose of the brush in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For safety inquiries or product support, please refer to the product packaging or visit the manufacturer's website for contact details.

By following these safety instructions, you can ensure a safe and effective experience with your ACID BRUSH BROWNELLS #1. Thank you for your attention to safety!
