## PREMIUM ROLL PIN PUNCH Safety Instructions

### Introduction

Thank you for choosing the PREMIUM ROLL PIN PUNCHES from BROWNELLS. This product is designed for safely removing roll pins from firearms. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

### General Safety Guidelines

- Always use the roll pin punches in accordance with the manufacturer's instructions.
- Inspect the punches for any signs of damage or wear before each use.
- Keep the work area clean and welllit to avoid accidents.
- Use protective eyewear to shield your eyes from potential debris during use.
- Store the punches in a safe place, out of reach of children and pets.
- Report any unsafe products or accidents to the relevant authorities.

### Specific Safety Precautions for Use

- Ensure the punch is the correct size for the roll pin you are working with.
- Avoid using excessive force when removing pins to prevent damage to the punch or the firearm.
- Do not use the punches for purposes other than their intended use.
- Handle the punches with care to avoid injury from sharp edges.
- If the punch becomes stuck, do not force it; instead, seek assistance to avoid damage or injury.

### Instructions for Installation and Usage

#### 1. Preparation:

- Gather all necessary tools and materials before starting your task.
- Ensure the firearm is unloaded and safe to work on.

#### 2. Using the Roll Pin Punch:

- Select the appropriate punch size for the roll pin.
- Position the balled tip of the punch on the roll pin, ensuring a secure fit.
- Apply steady pressure to drive the pin out, using a hammer if necessary.
- For installation, align the roll pin with the hole and gently tap it into place with the punch.

#### 3. PostUse Care:

- Clean the punches after use to remove any debris or residue.
- Store the punches in their original packaging or a designated tool case.

### Disposal Instructions

- Dispose of any damaged or worn punches according to local regulations.
- Do not dispose of the punches in regular household waste if they are still functional; consider donating or recycling them if possible.
