# PREMIUM ROLL PIN PUNCHES SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the PREMIUM ROLL PIN PUNCHES from BROWNELLS. This guide provides essential safety instructions and usage information to ensure a safe and effective experience when using these tools. Please read this guide carefully before using the product.

## General Safety Guidelines

To ensure your safety and the safety of others, please follow these general safety guidelines:

- Always use the tool as intended and described in this guide.
- Keep the tool out of reach of children and unauthorized users.
- Inspect the tool for any damage or wear before each use.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves.
- Ensure your work area is clean, welllit, and free of hazards.
- Do not use the tool if you are tired, under the influence of drugs or alcohol, or distracted.

## Specific Safety Precautions for Use

When using the PREMIUM ROLL PIN PUNCHES, adhere to the following specific safety precautions:

- Ensure the punch is aligned correctly with the roll pin before striking.
- Use a suitable hammer or mallet to strike the punch; do not use excessive force.
- Avoid striking the punch on the pin end directly; use the balled tip to prevent damage.
- Do not attempt to remove a roll pin that appears to be rusted or corroded without proper treatment.
- If the punch becomes stuck, do not force it out; seek appropriate assistance.

## Instructions for Installation and Usage

Follow these steps for proper installation and usage of the PREMIUM ROLL PIN PUNCHES:

1. **Select the Correct Punch:** Choose the appropriate size punch from the set based on the diameter of the roll pin you are working with.
2. **Position the Punch:** Place the balled tip of the punch on the end of the roll pin you wish to remove.
3. **Align the Punch:** Ensure that the punch is perpendicular to the surface for accurate striking.
4. **Strike the Punch:** Using a hammer or mallet, gently strike the punch to drive the roll pin out. Repeat as necessary until the pin is removed.
5. **Installation of Roll Pins:** To install a roll pin, position the punch against the pin and gently tap until the pin is seated securely in place.
6. **Clean the Punches:** After use, clean the punches with a soft cloth to remove any debris or moisture.

## Disposal Instructions

When the PREMIUM ROLL PIN PUNCHES reach the end of their life or are no longer usable, please dispose of them responsibly:

- Check local regulations for proper disposal of metal tools.
- Consider recycling the punches if possible, as they are made of carbon steel.
- Do not dispose of in regular household waste if local laws prohibit it.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please contact the manufacturer's customer support or refer to the provided documentation. Ensure that you have the product details on hand for assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with the PREMIUM ROLL PIN PUNCHES. Always prioritize safety and consult this guide whenever you have questions regarding the use of the product. Thank you for your attention to these important safety measures.
