

# PREMIUM ROLL PIN PUNCHES - BROWNEllS 5/32" PREMIUM ROLL PIN PUNCH

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Punches](#)

**PREMIUM ROLL PIN PUNCHES** The Brownells Premium Roll Pin Punches are precision-engineered tools designed to facilitate the removal and installation of roll pins in firearms, ensuring efficiency and preventing damage to both pins and surrounding components. **Description and Features:** Hardened Carbon Steel Construction: Crafted from durable carbon steel, these punches are hardened and tempered to withstand rigorous use, providing longevity and reliability. Spherical Tip Design: Each punch features a spherical tip that precisely centers inside the hollow roll pin, preventing slippage and protecting the pin's end during removal or installation. **Variety of Sizes:** Available individually or as a comprehensive 7-piece set, these punches accommodate a range of roll pin sizes commonly encountered in firearms. Available Sizes: 1/16" 5/64" 3/32" 1/8" 5/32" 3/16" 7/32" **Specifications:** Material: Hardened and tempered carbon steel **Tip Design:** Spherical for precise alignment **Set Composition:** 7-piece set includes all listed sizes **Customer Insights:** Our customers report that the Brownells Premium Roll Pin Punches are essential tools for firearm maintenance, offering exceptional quality and effectiveness in roll pin installations. The hardened steel construction and spherical tip design ensure precise alignment and prevent damage during use. Incorporating the Brownells Premium Roll Pin Punches into your gunsmithing toolkit ensures you have reliable and precise instruments for handling roll pins, enhancing both the efficiency and quality of your firearm maintenance and assembly projects.

## PREMIUM ROLL PIN PUNCH Safety Instructions

### Introduction

Thank you for choosing the PREMIUM ROLL PIN PUNCHES by BROWNELLS. This guide provides essential safety instructions and guidelines for the safe use of this product. It is important to read and understand these instructions to ensure your safety and the safety of others.

### General Safety Guidelines

- Ensure that the work area is clean and welllit before using the roll pin punches.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, to protect against flying debris and sharp edges.
- Keep the roll pin punches out of reach of children and unauthorized users.
- Inspect the punches for any signs of damage or wear before each use. Do not use damaged tools.
- Store the roll pin punches in a safe and secure location when not in use.

### Specific Safety Precautions for Use

- Use the correct size punch for the specific roll pin to avoid damaging the pin or the tool.
- Always use the punches with a proper hammer or mallet. Avoid using excessive force, which can lead to tool failure or injury.
- Ensure that the punch is properly aligned with the roll pin before striking. Misalignment can result in injury or damage to the firearm.
- Do not attempt to remove a roll pin that is rusted or stuck without applying appropriate penetrating oil first.
- If you experience resistance while removing a roll pin, stop and reassess the situation. Forcing the punch can lead to injury.

### Instructions for Installation and Usage

#### 1. Preparation:

- Gather all necessary tools and safety equipment.
- Ensure the firearm is unloaded and safe to work on.

#### 2. Selecting the Right Punch:

- Choose the appropriate size punch from the set based on the diameter of the roll pin you are working with.

#### 3. Positioning the Punch:

- Place the balled tip of the punch on the end of the roll pin.
- Ensure the punch is perpendicular to the pin for proper alignment.

#### 4. Striking the Punch:

- With a hammer or mallet, strike the punch gently to start the removal of the roll pin.
- Increase force gradually if needed, but avoid excessive force.

#### 5. Removing the Roll Pin:

- Continue striking until the roll pin is fully removed.
- If the pin does not move, stop and apply penetrating oil and allow it to sit before attempting again.

#### **6. Installation of New Roll Pin:**

- Align the new roll pin with the appropriate punch.
- Gently strike the punch to drive the new pin into place.

## **Disposal Instructions**

- Dispose of any damaged or wornout roll pin punches in accordance with local regulations.
- Do not throw tools in regular household waste. Check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the use of the PREMIUM ROLL PIN PUNCHES, please refer to the contact information provided on the packaging or visit the manufacturer's website.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience while using the PREMIUM ROLL PIN PUNCHES. Always prioritize safety and take the necessary precautions to protect yourself and others during use. Thank you for your attention to these guidelines.
