PREMIUM ROLL PIN PUNCHES SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the PREMIUM ROLL PIN PUNCHES by BROWNELLS. This guide provides essential safety instructions and usage guidelines to ensure the safe and effective use of your roll pin punches. Please read this document carefully before using the product.

General Safety Guidelines

- Always inspect the punches for any signs of damage or wear before use.
- Keep the punches out of reach of children and vulnerable individuals.
- Use the punches only for their intended purpose, which is to remove roll pins from firearms.
- Ensure your work area is clean, dry, and welllit to prevent accidents.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the punches.
- Do not use excessive force when removing pins to avoid damaging the punch or the firearm.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded and safe to work on before using the roll pin punches.
- Do not attempt to remove roll pins if they are rusted or corroded, as this can increase the risk of breakage.
- Always use the correct size punch for the pin you are working on to prevent damage to the pin or the punch.
- Avoid using the punches in a way that may cause injury, such as striking the punch with a hammer while holding it with your hand.
- If you experience any difficulty during use, stop and reassess your approach rather than forcing the punch.

Instructions for Installation and Usage

1. **Preparation:** Ensure that you have the appropriate size punch for the roll pin you are removing.
2. **Positioning:** Align the punch with the roll pin, ensuring the balled tip is securely placed on the pin.
3. **Striking:** Use a hammer to gently tap the punch. Apply steady pressure without excessive force.
4. **Removal:** Once the pin is loosened, continue to tap until the pin is fully removed. Repeat the process if necessary.
5. **Installation of New Pins:** To install a new roll pin, align it with the hole and use the punch to gently guide it into place, ensuring it is seated properly.

Disposal Instructions

- Dispose of any damaged or worn punches in accordance with local regulations.
- Do not dispose of the punches in regular household waste if they are made of metal; consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding the use of the PREMIUM ROLL PIN PUNCHES, please consult the manufacturer's website or customer service.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience when using the PREMIUM ROLL PIN PUNCHES. Always prioritize safety and consult this guide as needed. Thank you for your attention to these important safety measures.
