

PREMIUM ROLL PIN STARTER PUNCHES - BROWNELLS PREMIUM ROLL PIN STARTER PUNCH, #1, 1/16"

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Punches](#)

Hardened steel punches easily remove roll pins from firearms incorporating these pins. Balled tip helps locate the punch on the pin and protects pin end from damage during removal or installation. Available as a 7-punch set or sold individually, as listed below.

Safety Instruction Guide for PREMIUM ROLL PIN STARTER PUNCHES

Introduction

Thank you for choosing the PREMIUM ROLL PIN STARTER PUNCHES by BROWNELLS. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read this guide carefully before using the punches.

General Safety Guidelines

- Ensure that you are using the punches in a safe environment, free from distractions and hazards.
- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the punches.
- Keep the punches out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the punches for any signs of damage or wear. Do not use damaged tools.
- Follow all instructions carefully to avoid injuries and ensure optimal performance.

Specific Safety Precautions for Use

- Always ensure that the punch is properly aligned with the roll pin before striking.
- Use a suitable hammer that is designed for use with punches to avoid damage to the tools.
- Do not use excessive force when striking the punch. If the pin does not move, reassess the alignment and try again.
- Ensure that your hands and fingers are clear of the punch's path before striking.
- Avoid using the punches for any purpose other than their intended use, which is to remove roll pins from firearms.

Instructions for Installation and Usage

1. Selecting the Right Punch:

- Choose the appropriate size punch for the roll pin you are working with. The set includes punches of various sizes: 1/16", 5/64", 3/32", 1/8", 5/32", 3/16", and 7/32".

2. Preparing the Work Area:

- Work in a welllit area with a stable surface to prevent slipping or accidental injury.
- Ensure that all necessary tools are within reach to minimize movement during the process.

3. Using the Punch:

- Position the punch on the roll pin, ensuring that the balled tip is seated properly.
- Hold the punch firmly in place and strike the end of the punch with a hammer to drive the roll pin out.
- If resistance is felt, stop and check the alignment before proceeding.

4. PostUse Care:

- After use, clean the punches with a dry cloth to remove any debris or moisture.
- Store the punches in a safe, dry place to prevent rust and damage.

Disposal Instructions

- Dispose of any damaged punches in accordance with local regulations.
- Do not dispose of the punches in regular household waste. Check for local recycling programs that accept metal tools.

Contact Information for Further Support

For any inquiries regarding the safety and use of the PREMIUM ROLL PIN STARTER PUNCHES, please refer to the contact information provided by your retailer or distributor.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your PREMIUM ROLL PIN STARTER PUNCHES. Always prioritize safety and proper usage to maintain the integrity of both the tool and your personal wellbeing. Thank you for your attention to these important safety measures.
