PREMIUM ROLL PIN STARTER PUNCHES Safety Instruction Guide

Introduction

Thank you for choosing the PREMIUM ROLL PIN STARTER PUNCHES by BROWNELLS. This product is designed to assist in the safe removal and installation of roll pins in firearms. This guide provides essential safety instructions and usage information to ensure your safety and the proper functioning of the tool. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the work area is welllit and free from clutter.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the punches.
- Keep the punches out of reach of children and vulnerable individuals.
- Inspect the punches for any visible damage before use. Do not use damaged tools.
- Store the punches in a safe, dry place when not in use.
- Follow all local laws and regulations regarding firearm maintenance and repair.

Specific Safety Precautions for Use

- Always use the correct size punch for the roll pin you are working with to avoid damage to the tool or the pin.
- Do not use excessive force when tapping the punch. If resistance is felt, stop and assess the situation.
- Ensure that the punch is properly aligned with the roll pin before striking it.
- Avoid placing your hands or other body parts near the area where the punch will be used.
- Use a suitable surface, such as a workbench, to prevent slipping or movement during use.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials, including the appropriate size punch, a hammer, and any additional tools required for your specific firearm.
- Ensure the firearm is unloaded and safe to work on.

2. Using the Punch

- Select the appropriate size punch from the set. The set includes punches of various diameters: 1/16", 5/64", 3/32", 1/8", 5/32", 3/16", and 7/32".
- Position the punch on the roll pin to be removed or installed. The balled tip will help locate the punch on the pin.
- Firmly hold the punch in place and strike the end of the punch with a hammer. Use controlled, gentle taps to avoid damaging the punch or pin.
- For installation, align the new roll pin with the hole and gently tap it into place using the punch.

3. PostUse Care

- After use, clean the punches to remove any debris or residue.
- Inspect the punches for wear or damage and replace any that are not in good condition.
- Store the punches in their designated case or holder to prevent damage.

Disposal Instructions

- When disposing of the punches, follow local regulations for metal recycling or disposal.
- Ensure that the punches are not left in areas accessible to children or pets.
- If the punches are damaged beyond repair, dispose of them responsibly to prevent injury.
