

PREMIUM ROLL PIN STARTER PUNCHES - BROWNELLS PREMIUM ROLL PIN STARTER PUNCH, #5, 5/32"

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Punches](#)

Hardened steel punches easily remove roll pins from firearms incorporating these pins. Balled tip helps locate the punch on the pin and protects pin end from damage during removal or installation. Available as a 7-punch set or sold individually, as listed below.

PREMIUM ROLL PIN STARTER PUNCHES SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the PREMIUM ROLL PIN STARTER PUNCHES by BROWNELLS. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully before using the punches.

General Safety Guidelines

- Ensure that the punches are used only for their intended purpose: removing and installing roll pins in firearms.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, to protect against potential injuries.
- Keep the punches out of reach of children and unauthorized users.
- Inspect the punches before each use for any signs of damage or wear. Do not use damaged tools.
- Store the punches in a dry, secure location to prevent rust and damage.

Specific Safety Precautions for Use

- **Handling:** Always handle the punches with care. Avoid using excessive force, which may cause the punch to slip or break.
- **Installation:** Ensure that the punch is properly aligned with the roll pin before striking it. Misalignment can lead to damage to the firearm or injury.
- **Striking Surface:** Use a suitable hammer or mallet to strike the punch. Avoid using hard surfaces that can damage the punch or cause it to shatter.
- **Work Area:** Maintain a clean and organized work area to minimize the risk of accidents. Remove any unnecessary tools or materials from the vicinity.
- **Distraction:** Avoid distractions while using the punches. Focus on the task at hand to prevent accidents.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including the PREMIUM ROLL PIN STARTER PUNCH and a hammer or mallet.
- Ensure that the firearm is unloaded and safe to work on.

2. Using the Punch:

- Select the appropriate size punch for the roll pin you are working with (5/32" punch for 5/32" roll pins).
- Position the punch on the roll pin, ensuring it is centered.
- Gently tap the punch with the hammer or mallet to start the removal process.
- Continue to strike the punch until the pin is fully removed or installed, taking care to maintain alignment throughout.

3. PostUse Care:

- Clean the punches after use to remove any debris or residue.
- Store the punches in their designated case or holder to prevent damage and maintain organization.

Disposal Instructions

- Dispose of any damaged or worn punches in accordance with local regulations. Do not dispose of them in regular household waste.
- If the punches are no longer usable, consider recycling them if possible, based on local recycling guidelines.

Contact Information for Further Support

For any safety inquiries or concerns regarding the PREMIUM ROLL PIN STARTER PUNCHES, please refer to the manufacturer's contact details provided with the product packaging or visit the official website.

Please ensure to follow all safety guidelines and instructions to promote a safe working environment and effective use of the PREMIUM ROLL PIN STARTER PUNCHES. If you have any questions or require further assistance, do not hesitate to reach out to the appropriate support channels. Thank you for your attention to safety!
