Safety Instruction Guide for PREMIUM ROLL PIN STARTER PUNCHES

Introduction

Thank you for choosing the PREMIUM ROLL PIN STARTER PUNCHES by BROWNELLS. This 7piece punch set is designed to assist you in safely removing roll pins from firearms. Please read this safety instruction guide thoroughly to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure safe use of the punches by following all instructions provided. Use only for the intended purpose of removing roll pins from firearms.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided for a remedy.
- **Online Shopping:** If purchased online, ensure the platform complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** Keep out of reach of children and ensure only responsible adults handle the punches.
- **EU Contact Point:** For any safety inquiries, please refer to the contact provided at the point of purchase.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear safety glasses to protect your eyes from flying debris.
- **Work Environment:** Use the punches in a welllit area with a stable work surface to prevent accidents.
- **Handling:** Always handle the punches with care. Avoid using excessive force, which may lead to injury or damage.
- **Storage:** Store the punches in a safe place, away from children and pets. Ensure they are kept in their original packaging or a designated toolbox.
- **Inspection:** Before each use, inspect the punches for any signs of damage. Do not use damaged punches.

Instructions for Installation and Usage

1. **Select the Appropriate Punch:** Choose the correct size punch from the set based on the size of the roll pin you are working with.
2. **Position the Punch:** Align the balled tip of the punch with the roll pin. Ensure that the punch is securely placed on the pin.
3. **Applying Pressure:** Gently tap the punch with a hammer to drive the roll pin out. Do not apply excessive force; if the pin does not move, reassess the alignment and try again.
4. **Removing the Punch:** After the roll pin is removed, carefully lift the punch away from the work area.
5. **Installation of New Pins:** To install a new roll pin, reverse the process. Align the new pin with the hole and use the appropriate punch to tap it gently into place.

Disposal Instructions

- **Disposal of Damaged Products:** If any punches are damaged or no longer usable, dispose of them responsibly. Follow local regulations for disposal of metal products.
- **Recycling:** Consider recycling the punches if possible. Check with your local recycling facility for guidelines.
