# APEX S&W M&P HEAVY DUTY PIN PUNCH Safety Instruction Guide

## Introduction

Thank you for choosing the APEX S&W M&P Heavy Duty Pin Punch from Brownells. This tool is designed specifically for removing roll pins on Smith & Wesson M&P firearms. To ensure safe and effective use, please read this safety instruction guide carefully before using the product.

## General Safety Guidelines

- Always use the pin punch in accordance with the manufacturer's instructions.
- Inspect the tool for any damage or wear before each use. Do not use if damaged.
- Keep the tool out of reach of children and vulnerable individuals.
- Ensure you are in a welllit and clean workspace when using the pin punch.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, to protect your eyes from potential debris.
- Report any unsafe product incidents or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the pin punch only for its intended purpose—removing roll pins on S&W M&P firearms.
- Do not apply excessive force when using the punch, as this may cause damage to the tool or the firearm.
- Keep your hands clear of the punch's striking area to avoid injury.
- Always use the punch with a suitable hammer or mallet. Avoid using hard surfaces that may damage the punch.
- Ensure that the punch tip is properly aligned with the roll pin before striking.
- If you are inexperienced in using punch tools, seek guidance from a qualified individual.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your workspace is clean and welllit.
- Gather all necessary tools, including the APEX S&W M&P Heavy Duty Pin Punch and a suitable hammer or mallet.

### 2. Using the Pin Punch:

- Hold the pin punch firmly by the knurled handle.
- Position the punch tip against the roll pin to be removed, ensuring it is centered.
- With a steady hand, strike the end of the punch with the hammer or mallet to drive the pin out.
- Repeat the process as necessary until the roll pin is completely removed.

### 3. PostUse Care:

- Clean the pin punch after use to remove any debris or residue.
- Store the tool in a dry place, away from moisture, to prevent rust and deterioration.

## Disposal Instructions

- Dispose of the pin punch in accordance with local regulations regarding metal tools and materials.
- Do not dispose of the tool in general household waste if it is damaged or has reached the end of its useful

life.

- Consider recycling the tool if possible.
