# Safety Instruction Guide for the Brownells Replaceable Pin Punch Kit for Glocks

## Introduction

Thank you for choosing the Brownells Replaceable Pin Punch Kit for Glocks. This kit allows you to safely and effectively disassemble any Glock pistol for maintenance and cleaning. Please read this safety instruction guide carefully to ensure safe use and compliance with EU safety regulations.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to disassemble Glock pistols.
- Always follow the manufacturer's instructions and guidelines when using the kit.
- Keep the kit out of reach of children and vulnerable individuals.
- Regularly inspect the kit for any signs of wear or damage before use.
- If you suspect that the product is unsafe or defective, stop using it immediately and report it to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment, such as safety glasses, when using the kit.
- Ensure that the firearm is unloaded and pointed in a safe direction before attempting to disassemble it.
- Use the correct punch size for the specific pin you are removing to avoid damage to the firearm or the kit.
- Do not use excessive force when using the pin punches, as this may cause injury or damage.
- Be cautious of sharp edges or points on the tools in the kit.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the Glock pistol is unloaded and the magazine is removed.
- Gather all necessary tools from the kit.

### 2. Disassembly Steps

- Identify the pin you wish to remove (locking block pin, trigger housing pin, or trigger pin).
- Align the appropriate pin punch over the pin to be removed.
- Gently tap the punch with a hammer to drive the pin out. Use controlled force to avoid damage.
- For magazine floorplate catch removal, use the punch to depress the catch and remove the floorplate.

### 3. Reassembly Steps

- Align the pins back into their respective holes.
- Use the appropriate punch to gently tap the pins back into place until fully seated.

### 4. Cleaning and Maintenance

- After use, clean the tools with a soft cloth to remove any debris or residue.
- Store the kit in a dry place, away from direct sunlight and moisture.

## **Disposal Instructions**

- Dispose of any damaged or worn tools in accordance with local regulations.
- If you no longer need the kit, consider donating it to a local shooting range or training facility, provided it is in safe condition.

## **Contact Information for Further Support**

For any inquiries regarding the safety and usage of the Brownells Replaceable Pin Punch Kit for Glocks, please contact your local dealer or manufacturer.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our top priority.
