## PREMIUM ROLL PIN PUNCH BENCH SET

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Tool Storage](#) > [Punch & File Storage Blocks](#)

**COMPLETE PREMIUM ROLL PIN 14-PUNCH SET** The Brownells Complete Premium Roll Pin 14-Punch Set is a comprehensive collection of high-quality tools designed to facilitate the efficient installation and removal of roll pins in firearms. This set is tailored for both professional gunsmiths and firearm enthusiasts, ensuring precision and care during firearm maintenance and assembly.

**Description and Features:**

**Comprehensive Punch Selection:** The set includes both starter and standard roll pin punches, each featuring a special tip that centers inside the hollow pin to help prevent slippage. Starter punches are used to initiate the removal of roll or spring pins without causing damage, while standard punches are employed to finish driving the pins after they have been started.

**Durable Construction:** Each punch is made from hardened steel with a knurled handle for a secure grip, ensuring durability and ease of use during various gunsmithing tasks.

**Organized Storage:** The set comes with a machined Delrin® bench block that holds and organizes all 14 punches, providing easy access and efficient workspace management. The bench block is resistant to most solvents, enhancing its durability in various working conditions.

**Specifications:**

**Starter Punches:** 1/16", 5/64", 3/32", 1/8", 5/32", 3/16", 7/32"

**Standard Punches:** 1/16", 5/64", 3/32", 1/8", 5/32", 3/16", 7/32"

**Bench Block Dimensions:** 6-3/8" long x 3" wide x 3/4" high

**Customer Insights:** Our customers report that the Brownells Complete Premium Roll Pin 14-Punch Set is an invaluable addition to their gunsmithing toolkit. The precision-engineered punches and organized storage solution enhance efficiency and accuracy during firearm maintenance. Customers appreciate the durable construction and the comprehensive range of punch sizes, which cater to various roll pin installation and removal tasks. Incorporating the Brownells Complete Premium Roll Pin 14-Punch Set into your gunsmithing toolkit ensures you have the specialized tools necessary for efficient and precise firearm assembly and maintenance.

# COMPLETE PREMIUM ROLL PIN 14PUNCH SET

## Consumer Safety Instruction Guide

### Introduction

Thank you for choosing the COMPLETE PREMIUM ROLL PIN 14PUNCH SET by Brownells. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your punch set. Please read this document carefully before using the product.

### General Safety Guidelines

- Ensure that the punch set is used only for its intended purpose, which is to start, remove, and install spring pins and roll pins in firearms.
- Always inspect the punch set before use. Do not use any tools that are damaged or worn.
- Keep the punch set out of reach of children and unauthorized users.
- Use the punch set in a welllit and organized workspace to prevent accidents.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while using the punch set.
- Be aware of your surroundings and ensure that no one is in the way while using the punches.

### Specific Safety Precautions for Use

- Always use the starter punches to begin the removal of roll or spring pins to minimize the risk of damage to the pins or the punch.
- Avoid excessive force when using the punches to prevent bending or breaking the tools.
- Use the short shaft punches for better control and to reduce the risk of injury.
- Ensure that the punch tip is properly centered inside the hollow pin before striking to prevent slippage.
- Do not use the punch set on materials other than those specified, as this may lead to accidents or tool damage.

### Instructions for Installation and Usage

#### 1. Preparation:

- Gather all necessary tools and ensure your workspace is clean and organized.
- Select the appropriate punch size for the pin you are working with.

#### 2. Using Starter Punches:

- Position the starter punch at the end of the roll or spring pin.
- Strike the punch gently with a hammer to start the pin removal process. Do not apply excessive force.

#### 3. Using Standard Punches:

- Once the pin has been started, switch to the standard punch of the same size.
- Position the standard punch over the pin and strike gently to drive the pin completely out.

#### 4. Installation of Pins:

- Align the roll or spring pin with the hole in the firearm.
- Use the appropriate starter punch to begin the installation, ensuring that the punch is centered.
- Once the pin is started, switch to a standard punch to complete the installation.

## **Disposal Instructions**

- Dispose of any damaged or worn punches in accordance with local regulations.
- Do not dispose of the punch set in regular household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries, product support, or to report unsafe products, please contact the designated EUbased contact point for this product. Ensure you have the product details and any relevant information ready when reaching out for support.

By following these safety instructions, you can ensure a safe and effective experience with your COMPLETE PREMIUM ROLL PIN 14PUNCH SET. Thank you for your attention to safety.
