Brownells Gas Block Roll Pin Punch Kit Safety Instructions

Introduction

Thank you for purchasing the Brownells Gas Block Roll Pin Punch Kit. This kit is designed to facilitate the installation and removal of the gas tube roll pin on AR15/AR308 firearms. It is important to follow the safety instructions outlined in this guide to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using this tool.
- Always use the tools in a welllit area to avoid accidents.
- Keep the work area clean and free of distractions.
- Use personal protective equipment (PPE), such as safety glasses and gloves, when handling tools.
- Store the kit in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the tools for any signs of wear or damage before use.

Specific Safety Precautions for Use

- Use only the punches included in this kit for their intended purpose.
- Avoid using excessive force when using the punches to prevent damage to the tools or the firearm.
- Ensure that the firearm is unloaded and the chamber is clear before beginning any work.
- Do not use the tools in a manner that could compromise your safety or the safety of others.
- If you experience any difficulties during installation or removal, stop and seek assistance.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is unloaded and the work area is clean.
- Gather all necessary tools and materials.

2. Using the Roll Pin Starter Punch

- Align the gas tube roll pin with the hole in the gas block.
- Insert the 5/64" Roll Pin Starter Punch into the roll pin.
- Gently tap the punch with a hammer to start the roll pin into the gas block.

3. Using the Roll Pin Punch

- Once the roll pin is started, switch to the 5/64" Roll Pin Punch.
- Align the punch with the roll pin and tap gently until the pin is fully seated.

4. Using the Roll Pin Holder

- For added stability, use the 5/64" Roll Pin Holder to support the roll pin during installation.
- Ensure the holder is positioned correctly to prevent slipping.

5. Removal of the Roll Pin

- To remove the roll pin, use the Roll Pin Punch to drive it out in the opposite direction.
- Align the punch with the roll pin and tap gently with a hammer.

Disposal Instructions

- Dispose of any damaged or worn tools in accordance with local regulations.
- Do not dispose of tools in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For safety inquiries or assistance, please refer to the contact information provided by the manufacturer or authorized retailer. Always ensure that you have the latest information regarding safety recalls and product updates.

By following these safety instructions, you can ensure a safe and effective experience with the Brownells Gas Block Roll Pin Punch Kit. Thank you for your attention to safety and proper usage.
