

# PREMIUM ROLL PIN HOLDERS - BROWNELLS 5/64" DIAMETER ROLL PIN HOLDER

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Punches](#)

**PREMIUM ROLL PIN HOLDERS** The Brownells Premium Roll Pin Holders are precision-engineered tools crafted to securely hold roll pins, ensuring accurate alignment during firearm assembly and maintenance. These tools are designed to simplify roll pin installation and reduce the risk of damaging the pins or surrounding components. **Description and Features:** **Accurate Drilling:** Each holder is precisely drilled to securely grip tiny roll pins, making installation and alignment effortless. **Specialized Notching:** The 1/16" holder is specifically notched to clear M16/AR-15 rear sights, ensuring proper fit and easy access. The 3.5mm holder is ideal for retaining the breech block pin on Sig handguns, while the other sizes cater to a variety of roll pin tasks with precision. **High-Quality Materials:** Constructed from 5/16" hex high carbon 5160 steel and Bainite heat-treated for exceptional strength and durability. **User-Friendly Design:** A single groove on the grip section enhances handling, while laser-marked sizes ensure quick identification and improved efficiency. **Available Sizes:** The Premium Roll Pin Holders are available individually or as a comprehensive 5-piece set, accommodating common pin sizes encountered in firearms: 1/16" (1.6mm) 5/64" (2.0mm) 3/32" (2.4mm) 1/8" (3.2mm) 3.5mm (0.138") **Specifications:** **Material:** High carbon 5160 steel **Heat Treatment:** Bainite process for enhanced durability **Handle Design:** Hexagonal with a single groove for better grip **Identification:** Laser-marked for easy size reference **Customer Insights:** Our customers report that the Brownells Premium Roll Pin Holders are indispensable tools for firearms assembly and maintenance. The precise design allows for easy and accurate roll pin installation while preventing damage to pins and firearm surfaces. Many Customers highlight the specialized 1/16" holder for AR-15 rear sights and the 3.5mm holder for Sig breech block pins as standout features. Incorporating the Brownells Premium Roll Pin Holders into your gunsmithing toolkit ensures reliable and damage-free roll pin installation, enhancing both the efficiency and quality of your firearm maintenance projects.

# Safety Instruction Guide for PREMIUM ROLL PIN HOLDERS BROWNELLS 5/64" DIAMETER ROLL PIN HOLDER

## Introduction

Thank you for choosing the PREMIUM ROLL PIN HOLDERS BROWNELLS 5/64" DIAMETER ROLL PIN HOLDER. This product is designed to assist you in accurately holding roll pins for various applications. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the product for any signs of damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using the roll pin holder.
- Ensure that the work area is clean and free from clutter to prevent accidents.
- Avoid using excessive force when inserting or removing pins to prevent damage to the product or injury to yourself.
- Do not use the roll pin holder if it is damaged or malfunctioning.
- Keep fingers and other body parts away from the pin insertion area to avoid pinching injuries.
- If using the roll pin holder with power tools, follow the power tool manufacturer's safety instructions.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting the installation.
- Ensure that the work area is welllit and organized.

### 2. Using the Roll Pin Holder:

- Select the appropriate size roll pin holder for your application (e.g., 5/64").
- Insert the roll pin into the holder, ensuring it is seated securely.
- Align the roll pin holder with the pin insertion point on your workpiece.
- Apply gentle pressure to insert the pin, ensuring it is aligned correctly to avoid bending or damaging the pin.

### 3. PostUse Care:

- After use, clean the roll pin holder to remove any debris or residue.
- Store the roll pin holder in a safe place, away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding metal waste.
- Do not dispose of the product in general household waste.
- Consider recycling the product if facilities are available in your area.

## **Contact Information for Further Support**

For any inquiries regarding the safety or use of the PREMIUM ROLL PIN HOLDERS BROWNELLS 5/64" DIAMETER ROLL PIN HOLDER, please contact the manufacturer directly through the appropriate channels.

By following these guidelines, you can ensure the safe use of your roll pin holders and contribute to a safer working environment. Thank you for your attention to these important safety instructions.
