Safety Instruction Guide for ACID BRUSH #1

Introduction

Thank you for choosing the ACID BRUSH #1. This product is designed for various applications, including spreading glue, applying stain, and cleaning tools. To ensure your safety and the safe use of this product, please read and follow the guidelines outlined in this manual.

General Safety Guidelines

- Always use the ACID BRUSH #1 as intended and according to the instructions provided.
- Keep the brush out of reach of children and vulnerable individuals to prevent accidental injury.
- Inspect the brush before use. Do not use if damaged or if bristles are loose.
- Store the brush in a dry place away from direct sunlight and extreme temperatures.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The bristles may cause injury if they come into contact with skin or eyes.
 - Inhalation of dust from materials being brushed may pose respiratory risks.
- **Avoiding Hazards:**
 - Wear safety goggles to protect your eyes during use.
 - Use a mask if working with materials that produce dust or fumes.
 - Do not use the brush for applications other than those specified.
 - Do not leave the brush unattended while in use.

Instructions for Installation and Usage

- **Preparation:**
 - Ensure your work area is clean and free from clutter.
 - Gather all materials needed for your task.
- **Using the ACID BRUSH #1:**
 - Hold the brush by the rolled tin handle for a firm grip.
 - Dip the bristles into the desired substance (e.g., glue, stain).
 - Apply the substance to the surface evenly, using light strokes.
 - After use, clean the brush thoroughly with solvent or warm soapy water, depending on the material used.
- **Storage:**
 - After cleaning, store the brush in a protective case or holder to maintain its shape and integrity.

Disposal Instructions

- Dispose of the ACID BRUSH #1 in accordance with local waste disposal regulations.
- If the brush is damaged beyond use, it should be discarded in a manner that prevents harm to the environment and does not pose a safety risk to others.

Contact Information for Further Support

For any inquiries regarding safety or usage of the ACID BRUSH #1, please contact your local distributor or consult the manufacturer's website for assistance.

Thank you for using the ACID BRUSH #1 responsibly. Your safety is our priority.
