Non-Marring Brass Punches Purpose Designed For Sight Work

DOVETAIL SIGHT PUNCHES The Brownells Dovetail Sight Punch is a specialized tool designed for the installation, removal, and adjustment of front and rear handgun sights. Crafted from brass, it ensures that your firearm's sights and finish remain unmarred during gunsmithing tasks. **Description and Features:** **Unique Triangular Punch Faces:** The punch features a triangular face that provides optimal contact with the sight, allowing for precise adjustments without slipping. **Heavy-Duty Brass Construction:** Made from durable brass, the punch is robust enough to handle stubborn sights while being soft enough to prevent damage to your firearm. **Versatile Application:** Suitable for both front and rear dovetail sights, making it a versatile addition to any gunsmith's toolkit. **Available Variations:** Brownells offers the Dovetail Sight Punch in several configurations to accommodate different firearm models and user preferences: **Front Sight Punch:** Approximately 0.280" base width, ideal for front sight adjustments. **Rear Sight Punch:** Approximately 0.480" base width, designed for rear sight adjustments. **Kit:** Includes both front and rear sight punches for comprehensive sight adjustment capabilities. **Specifications:** **Material:** Brass **Base Widths:** Front Sight Punch: ~0.280" Rear Sight Punch: ~0.480" **Customer Insights:** Our customers report that the Brownells Dovetail Sight Punch is an indispensable tool for gunsmiths and firearm enthusiasts. The brass construction prevents marring of sights and slides, and the unique triangular face allows for precise adjustments. Customers appreciate the availability of different sizes to match various sight profiles, enhancing the tool's versatility. Incorporating the Brownells Dovetail Sight Punch into your gunsmithing toolkit ensures you have the right tool for safe and effective sight adjustments, preserving the integrity and appearance of your firearm.

DOVETAIL SIGHT PUNCH BROWNELLS DOVETAIL PUNCH KIT Safety Instruction Guide

Introduction

Thank you for choosing the DOVETAIL SIGHT PUNCH BROWNELLS DOVETAIL PUNCH KIT. This guide provides essential safety instructions and usage guidelines to ensure the safe and effective use of this product. Please read this manual carefully before using the punches.

General Safety Guidelines

- Always use the punches in a welllit and clean workspace.
- Keep the punches out of reach of children and vulnerable individuals.
- Inspect the punches before each use to ensure they are in good condition.
- Do not use damaged or wornout punches. Replace them immediately.
- Ensure that you are wearing appropriate personal protective equipment (PPE), such as safety glasses, when using the punches.
- Be aware of your surroundings and avoid distractions while using the punches.

Specific Safety Precautions for Use

- Use the punches only for their intended purpose: the installation, removal, and adjustment of front and rear handgun sights.
- Ensure that the firearm is unloaded and pointed in a safe direction before using the punches.
- Do not apply excessive force when using the punches; this may cause damage to the sight or the firearm.
- If the punch slips, stop using it immediately to prevent injury or damage.
- Always follow the manufacturer's instructions for use and maintenance.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and in a safe condition.
- Gather all necessary tools and materials, including the appropriate punch from the kit.

2. Using the Front Sight Punch

- Select the Front Sight Punch with a base width of approximately 0.280".
- Align the punch with the sight to be adjusted.
- Gently tap the punch with a hammer to install or adjust the sight.
- Check the sight alignment frequently to avoid overadjustment.

3. Using the Rear Sight Punch

- Select the Rear Sight Punch with a base width of approximately 0.480".
- Position the punch against the rear sight.
- Tap the punch gently with a hammer to install or adjust the rear sight.
- Regularly check the alignment to ensure proper positioning.

4. Using the Small Dovetail Sight Punch

- If working with compact handguns, use the Small Dovetail Sight Punch with a base width of 0.230".
- Follow the same procedure as above for installing or adjusting the sights.

5. **PostUse Care**

- Clean the punches after each use to remove any debris or residue.
- Store the punches in a safe and dry place, preferably in their original kit.

Disposal Instructions

- Dispose of any damaged punches in accordance with local regulations.
- Do not dispose of the punches in regular household waste if they are broken or unusable.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's contact details provided in the product packaging or visit the manufacturer's website.

Thank you for following these safety instructions. By adhering to these guidelines, you can ensure a safe and effective experience with your DOVETAIL SIGHT PUNCH BROWNELLS DOVETAIL PUNCH KIT.
