# RIFLE POLISHING SYSTEM BROWNELLS 243 WINCHESTER 400 GRIT CHAMBER HONE Safety Instruction Guide

## Introduction

Thank you for choosing the RIFLE POLISHING SYSTEM BROWNELLS 243 WINCHESTER 400 GRIT CHAMBER HONE. This product is designed to polish rough or scored chambers, ensuring smooth and frictionfree operation in your firearm. To ensure safe and effective use of this product, please read and follow the safety instructions provided in this guide.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate personal protective equipment (PPE) such as safety goggles and gloves when using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the product for any purpose other than its intended use.
- Regularly check the product for any signs of damage or wear before use.
- In case of an accident or injury, seek medical assistance immediately.

## Specific Safety Precautions for Use

### • Hazard Identification:

- The abrasive nature of the silicon carbide balls can cause skin irritation. Handle with care.
- The polishing process may generate dust; avoid inhalation.

### • Avoiding Hazards:

- Use the product in a wellventilated area to minimize dust exposure.
- Do not use excessive force during operation to prevent equipment damage or personal injury.
- Ensure that the firearm is unloaded and safe before using the chamber hone.

### • Age Specific Warnings:

- This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including Flex Hone Oil.
- Ensure the firearm is completely unloaded and safe.

### 2. Installation:

- Attach the chamber hone to a power drill with the appropriate shank size.
- Ensure a secure fit to avoid slippage during use.

### 3. Usage:

- Apply a small amount of Flex Hone Oil to the surface of the chamber hone.
- Insert the chamber hone into the chamber of the firearm.
- Operate the drill at a low speed, allowing the abrasive balls to polish the chamber.
- Move the hone in and out of the chamber smoothly for even polishing.
- After a few minutes, remove the hone and inspect the chamber for smoothness.

#### 4. PostUse:

- Clean the chamber thoroughly to remove any polishing residue.
- Store the chamber hone in a safe, dry place away from children.

## Disposal Instructions

- Dispose of any unused or damaged products in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for designated disposal facilities for hazardous materials.

## Contact Information for Further Support

For any inquiries regarding safety or product use, please contact the manufacturer's customer support or visit their official website.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with the RIFLE POLISHING SYSTEM BROWNELLS 243 WINCHESTER 400 GRIT CHAMBER HONE. Thank you for your attention to safety!
