# RIFLE POLISHING SYSTEM BROWNELLS 243 WINCHESTER 800 GRIT CHAMBER HONE Safety Instruction Guide

## Introduction

Thank you for choosing the RIFLE POLISHING SYSTEM BROWNELLS 243 WINCHESTER 800 GRIT CHAMBER HONE. This product is designed to polish rough or scored chambers, ensuring smooth and frictionfree operation. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always ensure the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage to the product before use.
- Use only the recommended Flex Hone Oil with this product.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety goggles and gloves, while using the chamber hone.
- Ensure that the firearm is unloaded and clear of ammunition before beginning any work on it.
- Avoid using the product near open flames or in areas with flammable materials.
- Do not exceed the recommended usage time to avoid overheating and damaging the hone.
- Do not use the hone on firearms not specified in the product specifications.
- Follow all local laws and regulations regarding firearms and their maintenance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including the RIFLE POLISHING SYSTEM and Flex Hone Oil.
- Ensure your workspace is clean, welllit, and free of distractions.

### 2. Installation:

- Attach the appropriate long shank to the chamber hone based on your firearm's specifications:
  - .223/5.56 8" (20cm) long shank
  - .38/.357/.44/.45 14" (35.5cm) long shank
- Ensure the attachment is secure before proceeding.

### 3. Usage:

- Apply a few drops of Flex Hone Oil to the abrasive silicon carbide balls.
- Insert the chamber hone into the chamber of the firearm, ensuring it is positioned correctly.
- Gently operate the hone, moving it in and out of the chamber while applying light pressure.
- Continue this process for a few minutes until the chamber is polished to your satisfaction.
- Wipe away any excess oil and debris from the chamber after use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding hazardous waste.
- Do not dispose of the product in regular household waste.
- Ensure all components are cleaned before disposal to avoid environmental contamination.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the RIFLE POLISHING SYSTEM BROWNELLS 243 WINCHESTER 800 GRIT CHAMBER HONE, please refer to the manufacturer's official website or contact their customer support team for assistance.

By adhering to these safety instructions, you can ensure a safe and effective experience while using the RIFLE POLISHING SYSTEM. Thank you for prioritizing safety and compliance with EU General Product Safety Regulations.
