RIFLE POLISHING SYSTEM BROWNELLS

7.62X39MM 400 GRIT CHAMBER HONE Safety Instructions

Introduction

Thank you for choosing the RIFLE POLISHING SYSTEM BROWNELLS 7.62X39MM 400 GRIT CHAMBER HONE. This product is designed to help you polish rough or scored chambers, ensuring smooth and frictionfree operation. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the product is used in a wellventilated area.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check the product for any signs of damage or wear before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any recall updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:** The abrasive nature of the silicon carbide balls can cause skin irritation. Improper use may lead to damage to the firearm or injury to the user.
- **Avoiding Hazards:** Always wear protective gloves and eyewear when using the product. Do not operate the product near flammable materials. Ensure that the firearm is unloaded and safe before using the polishing system. Do not exceed the recommended usage time to avoid overheating and potential damage.
- **Age and Audience Specific Warnings:** This product is intended for use by adults only. Keep away from children.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including the RIFLE POLISHING SYSTEM and Flex Hone Oil.
- Ensure you are in a clean, dry workspace with good lighting.

2. Installation:

- Attach the polishing hone to a suitable power tool as per the manufacturer's guidelines.
- Ensure the tool is securely fastened to prevent any accidents during use.

3. Usage Instructions:

- Apply a small amount of Flex Hone Oil to the polishing hone before use.
- Insert the polishing hone into the chamber of the firearm.
- Operate the power tool at a low speed, gradually increasing as needed.
- Move the hone in and out of the chamber smoothly and evenly for approximately 12 minutes.
- Do not apply excessive pressure; let the abrasive action do the work.
- After use, clean the chamber thoroughly to remove any abrasive residue.

4. PostUsage Care:

- Clean the polishing hone with a suitable cleaning solution and store it in a safe place.
- Inspect the hone for any signs of wear and replace if necessary.

Disposal Instructions

- Dispose of the product and any packaging materials in accordance with local regulations.
- Do not dispose of the product in household waste. Check for designated recycling centers or hazardous waste disposal facilities.

Contact Information for Further Support

For any safety inquiries or additional support regarding the RIFLE POLISHING SYSTEM BROWNELLS 7.62X39MM 400 GRIT CHAMBER HONE, please refer to the manufacturer's website or contact their customer support team.

Thank you for prioritizing safety while using the RIFLE POLISHING SYSTEM. Enjoy your experience and ensure the longevity and performance of your firearm.
