# RIFLE POLISHING SYSTEM BROWNELLS 38 CALIBER 400 GRIT CHAMBER HONE

## Introduction

Thank you for choosing the RIFLE POLISHING SYSTEM BROWNELLS 38 CALIBER 400 GRIT CHAMBER HONE. This product is designed to polish rough or scored chambers, ensuring smooth and frictionfree operation. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always follow the manufacturer's instructions for use.
- Keep the product out of reach of children and pets.
- Inspect the product for any damage before use.
- Use safety goggles and gloves to protect your eyes and skin.
- Ensure proper ventilation in the area where you are using the product.
- Do not use the product for any purpose other than its intended use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The product contains abrasive materials which can cause injury if not handled properly.
  - Improper use may lead to damage to the firearm or personal injury.
- **Avoiding Hazards:**
  - Always wear protective gear, including gloves and goggles, while using the product.
  - Do not apply excessive force when using the chamber hone.
  - Ensure that the firearm is unloaded and pointed in a safe direction before use.
  - Follow the instructions for using Flex Hone Oil to avoid any adverse reactions.
- **AudienceSpecific Warnings:**
  - This product is not intended for use by individuals under the age of 18.
  - Ensure that users are knowledgeable about firearm maintenance and safety.

## Instructions for Installation and Usage

- **Preparation:**
  - Gather all necessary materials, including the chamber hone and Flex Hone Oil.
  - Ensure that the workspace is clean and welllit.
- **Installation:**
  - Attach the appropriate shank length to the chamber hone based on the caliber of your firearm:
    - .223/5.56 8" (20cm) long shank
    - .38/.357/.44/.45 14" (35.5cm) long shank
- **Usage:**

- Apply a small amount of Flex Hone Oil to the abrasive balls of the chamber hone.
- Insert the hone into the chamber of the firearm.
- Use a slow and steady motion to polish the chamber, ensuring even coverage.
- Continue polishing for a few minutes until the desired smoothness is achieved.
- Remove the hone from the chamber and clean any excess oil and debris.

- **PostUse:**

- Clean the chamber thoroughly after use to remove any abrasive particles.
- Store the product in a safe, dry place away from children.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the RIFLE POLISHING SYSTEM BROWNELLS 38 CALIBER 400 GRIT CHAMBER HONE, please refer to the manufacturer's official website or customer service resources.

Thank you for your attention to these safety instructions. Enjoy the benefits of your new polishing system while ensuring safety and compliance with regulations.
