

# HANDGUN CLEANING KIT - BROWNELLS 9MM/38/357 CALIBER HANDGUN KIT WITH DEWEY ROD AND LUCAS OIL

[Gun Cleaning & Chemicals](#) > [Cleaning Kits](#) > [Handgun Cleaning Kits](#)

## Portable Pistol Cleaning Kit For Range Bag Or Bench

Our handy compact cleaning kits contain all the items you need to clean a pistol or revolver, anywhere, anytime. Costs about as much as a generic "big box" store kit, but equipped with top-quality components. The 6" cleaning rod is made of brass to protect delicate rifling from damage while scrubbing powder, lead, and copper fouling from the bore. There's a 8-32 tpi brass patch loop, 3 Brownells "Special Line" Brass Core Bore Brushes, 25 of our 1¾" square 100% cotton flannel cleaning patches, our ever-useful nylon gun/parts cleaning brush, and 1 oz. of Lucas Extreme Duty Gun Oil for superior lubrication and protection of metal surfaces. Nylon carry pouch keeps all these components together - ready whenever you need them.

# Handgun Cleaning Kit Safety Instruction Guide

## Introduction

Thank you for choosing the Handgun Cleaning Kit by Brownells. This guide provides essential safety instructions to ensure the safe and effective use of your cleaning kit. Please read and follow these guidelines carefully to avoid any risks associated with the use of this product.

## General Safety Guidelines

- **Product Safety:** This cleaning kit is designed for safe use. Ensure you follow all instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. You can check for updates on the EU's Safety Gate platform.
- **Online Shopping:** If you purchased this kit online, you are entitled to the same safety protections as if you bought it in a physical store.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to the contact information provided by your retailer.
- **Rapid Alerts:** Be aware of faster updates on unsafe products through the Safety Gate system.

## Specific Safety Precautions for Use

- **Read All Instructions:** Before using the kit, read all instructions carefully.
- **Use in a WellVentilated Area:** Ensure you are cleaning your handgun in a wellventilated space to avoid inhaling fumes from cleaning products.
- **Wear Protective Gear:** Use safety glasses and gloves to protect your eyes and skin from cleaning chemicals and debris.
- **Keep Away from Children:** This product contains small parts and chemicals that can be hazardous. Store it in a secure location.
- **Inspect Tools Before Use:** Check all components for damage or wear before use. Do not use damaged items.
- **Avoid Prolonged Skin Contact:** Some cleaning agents may cause skin irritation. Wash hands thoroughly after use.
- **Follow Local Laws:** Ensure compliance with local laws regarding the cleaning and maintenance of firearms.

## Instructions for Installation and Usage

1. **Gather Your Materials:** Ensure you have all components of the cleaning kit, including the brass cleaning rod, brushes, patches, cleaning brush, and Lucas Extreme Duty Gun Oil.
2. **Prepare Your Work Area:** Choose a stable, flat surface to clean your handgun. Lay down a protective cloth to catch any debris.
3. **Assemble the Cleaning Rod:** Attach the appropriate brush or patch to the brass cleaning rod by screwing it into the 832 tpi patch loop.
4. **Clean the Barrel:**
  - Insert the cleaning rod into the barrel from the chamber end.
  - Use a backandforth motion to scrub the bore with the brass brush, followed by a patch soaked in Lucas Oil.
5. **Use the Cleaning Brush:** Utilize the nylon gun/parts cleaning brush to remove fouling from other parts of the handgun, such as the slide and frame.
6. **Apply Gun Oil:** After cleaning, apply a thin layer of Lucas Extreme Duty Gun Oil to metal surfaces for protection against rust and corrosion.
7. **Reassemble the Handgun:** Once all components are cleaned and dried, reassemble your handgun

according to the manufacturer's instructions.

8. **Store Properly:** After use, clean all components of the kit and store them in the nylon carry pouch to keep them organized and protected.

## Disposal Instructions

- **Dispose of Used Patches and Brushes:** Place used cleaning patches and brushes in the trash. Do not flush them down the toilet.
- **Follow Local Regulations:** Dispose of any hazardous materials according to local regulations. Check with your local waste management authority for guidance.
- **Recycle Where Possible:** Recycle any components of the kit that are recyclable, following local recycling guidelines.

## Contact Information for Further Support

For further assistance or inquiries about the Handgun Cleaning Kit, please refer to the contact information provided by your retailer or manufacturer.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Handgun Cleaning Kit. Thank you for your attention to safety and proper firearm maintenance.
