

HANDGUN CLEANING KIT - BROWNELLS 44/45 CALIBER HANDGUN KIT WITH DEWEY ROD AND LUCAS OIL

[Gun Cleaning & Chemicals](#) > [Cleaning Kits](#) > [Handgun Cleaning Kits](#)

Portable Pistol Cleaning Kit For Range Bag Or Bench

Our handy compact cleaning kits contain all the items you need to clean a pistol or revolver, anywhere, anytime. Costs about as much as a generic "big box" store kit, but equipped with top-quality components. The 6" cleaning rod is made of brass to protect delicate rifling from damage while scrubbing powder, lead, and copper fouling from the bore. There's a 8-32 tpi brass patch loop, 3 Brownells "Special Line" Brass Core Bore Brushes, 25 of our 1 $\frac{3}{4}$ " square 100% cotton flannel cleaning patches, our ever-useful nylon gun/parts cleaning brush, and 1 oz. of Lucas Extreme Duty Gun Oil for superior lubrication and protection of metal surfaces. Nylon carry pouch keeps all these components together - ready whenever you need them.

Handgun Cleaning Kit Safety Instructions

Introduction

Thank you for purchasing the Brownells 44/45 Caliber Handgun Cleaning Kit. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the kit.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the cleaning kit by following all instructions. The kit is designed for cleaning handguns and should not be used for any other purpose.
- **Enhanced Recalls:** Be aware that any recalls will be communicated through standardized notices. Stay informed about potential recalls via the EU Safety Gate platform.
- **Online Shopping Protection:** If purchased online, the same safety protections apply as those for physical store purchases.
- **Special Consumer Focus:** This product is not intended for use by children. Keep the kit out of reach of children to prevent accidents.
- **EU Contact Point:** For safety inquiries regarding this product, please refer to the contact information provided by the retailer.
- **Rapid Alerts:** Stay updated on any safety alerts or recalls by checking the EU Safety Gate system regularly.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The cleaning kit contains small parts that may pose a choking hazard if swallowed.
- The cleaning solvents and oils may be harmful if ingested or come into contact with skin.

- **Avoiding Hazards:**

- Always use the kit in a wellventilated area to avoid inhaling fumes from cleaning agents.
- Wear protective gloves when handling cleaning solvents and oils to prevent skin irritation.
- Do not point the cleaning rod or any tool at yourself or others to avoid injury.

- **Age Specific Warnings:**

- This product is intended for adults only. It should not be used by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. **Unpacking the Kit:**

- Carefully remove the contents from the nylon carry pouch.
- Ensure all items are present:
 - 6" brass cleaning rod
 - 832 tpi brass patch loop
 - 3 Brass Core Bore Brushes
 - 25 cleaning patches (1 $\frac{3}{4}$ " square, 100% cotton flannel)
 - Nylon gun/parts cleaning brush
 - 1 oz. of Lucas Extreme Duty Gun Oil

2. Preparing to Clean:

- Ensure that the handgun is unloaded and the magazine is removed.
- Place the handgun in a stable position on a clean, flat surface.

3. Cleaning Process:

- Attach the brass patch loop to the cleaning rod.
- Insert a cleaning patch into the patch loop.
- Apply a small amount of Lucas Extreme Duty Gun Oil to the patch.
- Insert the cleaning rod into the barrel and gently scrub the bore to remove fouling.
- Use the brass core bore brushes for more thorough cleaning if necessary.
- After cleaning, run a dry patch through the barrel to remove any excess oil.

4. PostCleaning:

- After cleaning, ensure that all components are returned to the nylon carry pouch for storage.
- Dispose of used cleaning patches and any waste materials in accordance with local regulations.

Disposal Instructions

- Dispose of any used cleaning patches and materials in accordance with local waste disposal regulations.
- Do not dispose of cleaning solvents or oils down the drain. Follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any questions or concerns regarding the use of the Brownells 44/45 Caliber Handgun Cleaning Kit, please refer to the contact information provided by the retailer from whom you purchased the product.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your handgun cleaning kit. Thank you for choosing our product, and happy cleaning!
