

PREMIUM 3/4" DELRIN TIPPED BRASS HAMMER - BROWNELLS

PREMIUM 3/4" DELRIN TIPPED BRASS HAMMER

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Hammers](#)

The Brownells Premium 3/4" Delrin Tipped Brass Hammer is precision manufactured and hand assembled entirely within the USA. The brass head is hand turned (the ole fashion way, one at a time) from CDA 360 brass rod, extruded in a USA mill, and beautifully hand polished. On one end of this brass hammer is a finely crafted, high quality Delrin Tip that is securely locked into place. This Delrin tip offers the quick availability of a softer end when the need arises. A properly seasoned, turned in the USA, hickory handle is then pressed into the finished brass head and securely brass pinned. This hammer is a work of art yet designed to serve the professional or hobbyist gunsmith, woodworker, mechanic, and machinist with years of hard use.

Safety Instruction Guide for Brownells Premium 3/4" Delrin Tipped Brass Hammer

Introduction

Thank you for choosing the Brownells Premium 3/4" Delrin Tipped Brass Hammer. This guide aims to provide you with essential safety information and usage instructions to ensure a safe and effective experience with your product. Please read this guide carefully before using the hammer.

General Safety Guidelines

- Ensure the hammer is used only for its intended purpose.
- Always inspect the hammer for any damage before use. Do not use if damaged.
- Keep the hammer out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety goggles and gloves when necessary.
- Store the hammer in a safe, dry place when not in use to prevent accidents.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Avoid striking hard surfaces that may cause the hammer to chip or break.
- Do not use the hammer for prying or as a lever; it is designed for striking only.
- Ensure that the area around you is clear of bystanders when using the hammer.
- Use the Delrin tip for softer strikes to prevent damage to the workpiece and the hammer.
- If the hammer begins to show signs of wear or damage, discontinue use immediately.

Instructions for Installation and Usage

- Before use, ensure that the Delrin tip is securely locked in place.
- Hold the hammer firmly by the hickory handle, ensuring a comfortable grip.
- Position the hammer at a right angle to the workpiece for effective striking.
- Strike gently at first to gauge the impact and adjust your force accordingly.
- After use, clean the hammer with a soft cloth to maintain its finish and performance.

Disposal Instructions

- Dispose of the hammer responsibly in accordance with local regulations.
- If the hammer is damaged beyond repair, consider recycling the metal components where possible.
- Do not dispose of the hammer in regular household waste; check for designated disposal locations.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please contact your local distributor or manufacturer representative. Ensure that you have the product details ready for a more efficient response.

Thank you for following these safety instructions. Your safety is our priority. Enjoy using your Brownells Premium 3/4" Delrin Tipped Brass Hammer!
