

# PREMIUM 3/4" DELRIN TIPPED BRASS HAMMER - BROWNELLS REPLACEMENT DELRIN TIP-3/4"

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Hammers](#)

The Brownells Premium 3/4" Delrin Tipped Brass Hammer is precision manufactured and hand assembled entirely within the USA. The brass head is hand turned (the ole fashion way, one at a time) from CDA 360 brass rod, extruded in a USA mill, and beautifully hand polished. On one end of this brass hammer is a finely crafted, high quality Delrin Tip that is securely locked into place. This Delrin tip offers the quick availability of a softer end when the need arises. A properly seasoned, turned in the USA, hickory handle is then pressed into the finished brass head and securely brass pinned. This hammer is a work of art yet designed to serve the professional or hobbyist gunsmith, woodworker, mechanic, and machinist with years of hard use.

## Attributes

# Safety Instruction Guide for PREMIUM 3/4" DELRIN TIPPED BRASS HAMMER

## Introduction

Thank you for purchasing the Brownells Premium 3/4" Delrin Tipped Brass Hammer. This hammer is designed for both professional and hobbyist use in various applications, including gunsmithing, woodworking, mechanics, and machining. To ensure safe and effective use of this product, please read and follow the safety guidelines and instructions outlined in this guide.

## General Safety Guidelines

- Always use the hammer for its intended purpose.
- Keep the hammer out of reach of children and vulnerable individuals.
- Inspect the hammer before each use for any signs of damage or wear.
- Do not use the hammer if it is damaged or if the Delrin tip is loose.
- Wear appropriate personal protective equipment (PPE) such as safety goggles when using the hammer.
- Store the hammer in a dry place to prevent corrosion and damage.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure the work area is clean and free from obstacles to prevent accidents.
- Use the hammer only on suitable surfaces; avoid using it on hard surfaces that may damage the Delrin tip.
- Do not strike the hammer against other tools or objects that may cause it to chip or break.
- Always hold the hammer firmly by the handle, keeping fingers away from the striking area.
- Avoid using excessive force; let the hammer do the work.
- If the hammer slips during use, stop immediately and reassess your grip and technique.

## Instructions for Installation and Usage

### 1. Inspect the Hammer:

- Before using the hammer, check the brass head and Delrin tip for any signs of damage or wear.
- Ensure that the Delrin tip is securely attached to the brass head.

### 2. Using the Hammer:

- Grip the hickory handle firmly with both hands.
- Position the hammer at an angle appropriate for the task at hand.
- Strike the intended surface with controlled force to avoid damage to the hammer or the workpiece.

### 3. Maintenance:

- After use, wipe the hammer with a clean, dry cloth to remove any debris.
- Store the hammer in a protective case or designated storage area to prevent damage.

## Disposal Instructions

- Dispose of the hammer in accordance with local regulations.
- If the hammer is damaged beyond repair, consider recycling the brass and wood components where possible.

- Do not dispose of the hammer in regular household waste if it poses a safety hazard.

## **Contact Information for Further Support**
