[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Hammers](#)

**PREMIUM DELRIN-TIPPED BRASS HAMMER** The Brownells Premium Delrin-Tipped Brass Hammer is a precision-crafted tool designed for gunsmiths, firearm enthusiasts, and professionals seeking reliable performance and exceptional versatility. Made in the USA, this hammer is built to handle both delicate and robust tasks with ease. **Key Features:** **Dual-Function Head:** Featuring a solid brass head for delivering firm, effective strikes and a replaceable Delrin tip for softer, non-marring impacts. This dual-purpose design makes it ideal for sensitive firearm components and heavy-duty tasks. **High-Quality Materials:** The brass head is crafted from durable CDA 360 brass rod and hand-polished for a professional finish, ensuring long-lasting reliability. **Ergonomic Hickory Handle:** The handle is made from properly seasoned hickory, hand-turned, and securely pinned for a comfortable grip and excellent control during use. **Replaceable Delrin Tip:** The Delrin tip provides flexibility for tasks requiring precision and surface protection, extending the hammer's functionality. **Specifications:** 8oz Hammer: Face Dimensions: 1" Length of Head: 2.1" Overall Hammer: 10" 16oz Hammer: Face Dimensions: 1.25" Length of Head: 2.6" Overall Hammer: 10.5" **Applications:** This hammer is perfect for a range of gunsmithing tasks, including driving pins, aligning components, and performing assembly or disassembly without damaging finishes. Its dual-head design ensures adaptability for both delicate and demanding applications. **Customer Feedback:** Users frequently praise the Brownells Premium Delrin-Tipped Brass Hammer for its superior craftsmanship and ergonomic design. Many highlight the versatility of the dual-purpose head, which balances strength with the care needed for sensitive surfaces. **Summary:** The Brownells Premium Delrin-Tipped Brass Hammer is an essential tool for gunsmiths and firearm enthusiasts who value precision and quality. Combining durable materials with thoughtful design, this hammer offers reliable performance for a wide variety of gunsmithing tasks.

# Safety Instruction Guide for PREMIUM DELRINTIPPED BRASS HAMMER

## Introduction

Thank you for choosing the Brownells Premium DelrinTipped Brass Hammer. This guide provides essential safety information to ensure the safe use of this tool. Please read and follow these instructions carefully to maximize your safety and the tool's performance.

## General Safety Guidelines

- Always use the hammer in accordance with its intended purpose.
- Inspect the hammer before each use. Do not use if there are any signs of damage.
- Keep the hammer out of reach of children and vulnerable individuals.
- Ensure your workspace is clean and free of obstacles to prevent accidents.
- Use appropriate personal protective equipment (PPE), such as safety glasses, when using the hammer.
- Be aware of your surroundings and ensure that no one is in the vicinity of your work area while using the hammer.

## Specific Safety Precautions for Use

- **DualFunction Head:**
  - Use the brass head for firm strikes on durable surfaces only.
  - Use the Delrin tip for softer impacts to avoid damaging sensitive components.
- **Ergonomic Handle:**
  - Hold the hammer firmly by the hickory handle to maintain control.
  - Avoid using excessive force that may lead to loss of control.
- **Replaceable Delrin Tip:**
  - Regularly check the Delrin tip for wear and replace it as needed to maintain safety and effectiveness.
- **Avoid Contact with Electrical Components:**
  - Do not use the hammer on or near electrical components to prevent shock hazards.

## Instructions for Installation and Usage

- **Installation of Delrin Tip:**
  1. Ensure the hammer is not in use.
  2. Align the new Delrin tip with the head of the hammer.
  3. Securely fasten the tip according to the manufacturer's instructions.
- **Using the Hammer:**
  1. Select the appropriate head for your task (brass or Delrin).
  2. Position the hammer at a 90degree angle to the surface you are striking.
  3. Apply controlled force while striking to achieve the desired effect without excessive impact.

4. After use, clean the hammer to remove any debris or residue.

## **Disposal Instructions**

- Dispose of the hammer responsibly. If the hammer is damaged beyond repair, it should be recycled according to local regulations.
- Dispose of the Delrin tips in accordance with local guidelines for plastic waste.

## **Contact Information for Further Support**

For any safety inquiries or concerns about the Brownells Premium DelrinTipped Brass Hammer, please refer to the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety while using your Brownells Premium DelrinTipped Brass Hammer. Your adherence to these guidelines helps ensure a safe and effective experience.
