

# HAMMER/SEAR BLOCK KITS - BROWNELLS UBERTI CATTLEMAN HAMMER/SEAR PIN BLOCK KIT

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Trigger Job Tools](#) > [Stoning Fixtures](#)

Machined steel block allows you to mate the hammer and sear (or trigger) outside of the firearm for a clear, unobstructed view of the critical point of engagement. Accepts a wide selection of hammer and sear pins sized for various handguns and rifles. Dovetailed adjustment block rides in slotted channel so pin spacing can be precisely set to match individual frames and receivers. Allen screw locks the pin setting so hammer and sear can be dropped in place relative to their actual position in the firearm. Great for cutting the engagement surfaces on new parts or fine-tuning the factory ones. Pins are individually numbered for proper identification. Hammer/Sear Pin Block Kit is packaged in a see-thru, plastic box and contains hammer/sear pin block and all nine sets of special pins for popular gun models (Browning Hi-Power, Colt Army, Ruger 10/22, AR-15 Large and Small Pin, 1911, Uberti Cattleman, Ruger New SA, And Ruger MKII).

## Attributes

- Name: [BROWNELLS UBERTI CATTLEMAN HAMMER/SEAR PIN BLOCK KIT](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 080001228
- Mfr. No.:
- Model: Cattleman
- Weapon type: Uberti
- Delivery weight: 0.057kg
- UPC: 050806007741

# Safety Instruction Guide for HAMMER/SEAR BLOCK KITS BROWNELLS UBERTI CATTLEMAN HAMMER/SEAR PIN BLOCK KIT

## Introduction

Welcome to the safety instruction guide for the HAMMER/SEAR BLOCK KITS BROWNELLS UBERTI CATTLEMAN HAMMER/SEAR PIN BLOCK KIT. This guide is designed to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read through this guide carefully to understand the necessary precautions and instructions for safe operation.

## General Safety Guidelines

- Ensure that the product is used only by individuals who are familiar with firearms and their components.
- Always handle the product in a safe environment, free from distractions and hazards.
- Keep the product out of reach of children and other vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- In case of any malfunction or damage, cease use immediately and consult a qualified technician.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses when using the kit.
- Ensure that the firearm is unloaded and safe before attempting to use the hammer/sear block kit.
- Avoid placing fingers or other objects near the critical point of engagement during use.
- Do not modify the kit or use it in any manner not intended by the manufacturer.
- Follow all local laws and regulations regarding the use and modification of firearms.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the workspace is clean and organized.
- Gather all necessary tools and components, including the hammer/sear pin block kit and special pins.

### 2. Setting Up the Block:

- Place the machined steel block on a stable surface.
- Insert the appropriate hammer and sear pins into the block based on your firearm model.

### 3. Adjusting the Dovetailed Block:

- Slide the dovetailed adjustment block into the slotted channel.
- Adjust the pin spacing to match the individual frame or receiver of your firearm.

### 4. Locking the Setting:

- Use the Allen screw to lock the pin setting securely.
- Ensure that the hammer and sear can be dropped in place relative to their actual position in the firearm.

### 5. Cutting Engagement Surfaces:

- If necessary, use the kit to cut the engagement surfaces on new parts or finetune factory components.
- Always check the fit and function after making adjustments.

#### **6. Final Inspection:**

- After installation, inspect the setup to ensure everything is secure and functioning correctly.
- Test the engagement surfaces before reassembling the firearm.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal components where possible.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines, you can ensure the safe and effective use of the HAMMER/SEAR BLOCK KITS BROWNELLS UBERTI CATTLEMAN HAMMER/SEAR PIN BLOCK KIT. Always prioritize safety and compliance with relevant regulations.
