

# HAMMER/SEAR BLOCK KITS - BROWNELLS RUGER® 10/22® HAMMER/SEAR PIN BLOCK KIT

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Trigger Job Tools](#) > [Stoning Fixtures](#)

Machined steel block allows you to mate the hammer and sear (or trigger) outside of the firearm for a clear, unobstructed view of the critical point of engagement. Accepts a wide selection of hammer and sear pins sized for various handguns and rifles. Dovetailed adjustment block rides in slotted channel so pin spacing can be precisely set to match individual frames and receivers. Allen screw locks the pin setting so hammer and sear can be dropped in place relative to their actual position in the firearm. Great for cutting the engagement surfaces on new parts or fine-tuning the factory ones. Pins are individually numbered for proper identification. Hammer/Sear Pin Block Kit is packaged in a see-thru, plastic box and contains hammer/sear pin block and all nine sets of special pins for popular gun models (Browning Hi-Power, Colt Army, Ruger 10/22, AR-15 Large and Small Pin, 1911, Uberti Cattleman, Ruger New SA, And Ruger MKII).

## Attributes

- Name: [BROWNELLS RUGER® 10/22® HAMMER/SEAR PIN BLOCK KIT](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 080001231
- Mfr. No.:
- Model: 10/22
- Weapon type: Ruger
- Delivery weight: 0.054kg
- UPC: 050806007772

# **HAMMER/SEAR BLOCK KITS BROWNELLS RUGER® 10/22® HAMMER/SEAR PIN BLOCK KIT Safety Instruction Guide**

## **Introduction**

Thank you for choosing the HAMMER/SEAR BLOCK KITS BROWNELLS RUGER® 10/22® HAMMER/SEAR PIN BLOCK KIT. This product is designed to assist in the safe and effective engagement of the hammer and sear in various firearms. To ensure a safe experience while using this product, please carefully read and follow the safety instructions outlined in this guide.

## **General Safety Guidelines**

- Always handle firearms with care and treat every firearm as if it is loaded.
- Ensure that you are in a safe environment while using this kit, away from unauthorized individuals, especially children.
- Before using the kit, read and understand all instructions and warnings.
- Regularly inspect the kit and its components for wear or damage before use.
- Store the kit in a secure location, out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm modifications and safety.

## **Specific Safety Precautions for Use**

- Use the kit only for its intended purpose: to assist in the installation and adjustment of hammer and sear pins.
- Ensure that the firearm is completely unloaded and that there are no live rounds present in the vicinity before starting any work.
- Do not attempt to modify or repair the kit itself; if it becomes damaged, discontinue use and replace it.
- Wear appropriate safety gear, such as safety glasses, to protect against any potential debris or accidents during use.
- Always work in a welllit area to ensure visibility and accuracy.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Ensure your workspace is clean and organized.
- Gather all necessary tools, including the HAMMER/SEAR PIN BLOCK KIT components.

### **2. Setting Up the Block:**

- Place the machined steel block on a stable, flat surface.
- Adjust the dovetailed adjustment block to fit the specific firearm frame you are working with.
- Use the Allen screw to lock the pin setting in place.

### **3. Using the Kit:**

- Insert the appropriate hammer and sear pins into the block, ensuring they are properly aligned.
- Carefully mate the hammer and sear outside of the firearm for a clear view of the engagement point.
- Once satisfied with the positioning, drop the hammer and sear into place relative to their actual positions in the firearm.

#### 4. Final Checks:

- Doublecheck the alignment and ensure all components are secure.
- Perform a function check on the firearm to ensure that everything operates correctly before reassembling.

## Disposal Instructions

- Dispose of any damaged or worn components of the kit in accordance with local regulations.
- If the kit is no longer needed, consider recycling the materials where possible.
- Do not dispose of the kit in regular household waste.

## Contact Information for Further Support

For any questions regarding the use of the HAMMER/SEAR BLOCK KITS BROWNELLS RUGER® 10/22® HAMMER/SEAR PIN BLOCK KIT, or to report any safety concerns, please reach out to the appropriate support channels as indicated in your product documentation.

By following these safety instructions, you can help ensure a safe and effective experience with the HAMMER/SEAR BLOCK KITS BROWNELLS RUGER® 10/22® HAMMER/SEAR PIN BLOCK KIT. Always prioritize safety and responsible firearm handling.
