Safety Instruction Guide for BENELLI M4/NOVA CARRIER PIVOT SLAVE PIN

Introduction

Thank you for choosing the BENELLI M4/NOVA CARRIER PIVOT SLAVE PIN. This product is designed to simplify the assembly of the Fire Control Assembly on Benelli M4/Nova shotguns. It is important to follow the safety instructions provided in this guide to ensure safe usage and to maintain compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always wear appropriate safety gear, including eye protection, when handling firearms and related components.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use and handling of firearms.

Specific Safety Precautions for Use

- Always ensure that the shotgun is unloaded before performing any assembly or maintenance work.
- Use the slave pin carefully to avoid pinching fingers or causing injury during assembly.
- Do not use excessive force when inserting or removing the carrier pivot tube; this may cause damage to the components.
- If you experience difficulty during assembly, stop and consult a qualified gunsmith or refer to the manufacturer's instructions.
- Be aware of your surroundings and ensure that no one is in the vicinity when working with the shotgun.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the shotgun is completely unloaded.
- Gather all necessary tools and components, including the BENELLI M4/NOVA CARRIER PIVOT SLAVE PIN.

2. Assembly Process:

- Align the tapered nose of the slave pin with the carrier and trigger plate.
- Gently insert the slave pin into the designated area, ensuring proper alignment.
- Once the slave pin is in place, the Carrier Pivot Tube should follow through seamlessly.
- Check that the components are securely in place and functioning correctly before reassembling the shotgun.

3. PostInstallation Check:

- After assembly, perform a function check on the shotgun to ensure that all components are working correctly.
- Confirm that the trigger operates smoothly and that there are no obstructions in the mechanism.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the product is no longer in use, consider recycling it where possible.
- Do not dispose of the product in regular household waste; check for specialized recycling facilities in your area.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's website or contact their customer service for assistance. It is important to have access to support for any questions or concerns regarding this product.

Conclusion

By following these safety instructions, you can ensure the safe use of the BENELLI M4/NOVA CARRIER PIVOT SLAVE PIN. Always prioritize safety and compliance with applicable laws and regulations. Thank you for your attention to these important guidelines.
