

UNIVERSAL PISTOL ARMORER'S BLOCK - BROWNELLS UNIVERSAL PISTOL ARMORER'S BLOCK

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Bench Blocks](#)

The Brownells Universal Pistol Armorer's Block helps the Armorer or Gunsmith disassemble, assemble or repair a broad range of pistols. Big, tough, PVC Armorer's Block gives you a solid work surface to maintain a variety of guns. Precision machined, non-marring material. Pin hole locations and reliefs are perfect for 1911s. Slide cuts are designed to accommodate 1911s, as well as modern guns such as S&W® M&Ps® & Glocks®. See instructions for details on the various features the Brownells Universal Pistol Armorer's Block provides.

Safety Instruction Guide for Brownells Universal Pistol Armorer's Block

Introduction

Thank you for choosing the Brownells Universal Pistol Armorer's Block. This guide provides important safety instructions to ensure the safe and effective use of the product. Please read this document carefully before using the Armorer's Block.

General Safety Guidelines

- Always use the Armorer's Block in a wellventilated area.
- Keep the work area clean and organized to prevent accidents.
- Ensure that the Armorer's Block is placed on a stable surface before use.
- Avoid using the Armorer's Block if it is damaged or shows signs of wear.
- Store the Armorer's Block in a safe place, away from children and pets.
- Regularly inspect the Armorer's Block for any potential hazards.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling firearms.
- Ensure that all firearms are unloaded before using the Armorer's Block.
- Be aware of your surroundings and ensure that no unauthorized persons are nearby while working on firearms.
- Follow the manufacturer's instructions for disassembly and assembly of firearms.
- Do not exceed the weight limit of the Armorer's Block; refer to the product specifications for details.
- Keep your hands and other body parts clear of moving parts during assembly or disassembly.
- Avoid using excessive force when working on firearms to prevent damage to the Armorer's Block or the firearm itself.

Instructions for Installation and Usage

1. Preparation

- Ensure that you have all necessary tools and materials before starting.
- Read the instructions for the specific firearm you are working on.

2. Setting Up the Armorer's Block

- Place the Armorer's Block on a flat, stable surface.
- Ensure that the pin hole locations and reliefs align with the firearm model you are working on.

3. Using the Armorer's Block

- Position the firearm securely in the Armorer's Block.
- Use the designated areas for disassembly and assembly as indicated in the product instructions.
- Follow the recommended steps for your specific firearm to avoid damage.

4. After Use

- Clean the Armorer's Block after each use to maintain its condition.

- Store the Armorer's Block in a safe, dry location.

Disposal Instructions

- Dispose of the Armorer's Block in accordance with local regulations.
- If the Armorer's Block is damaged beyond repair, consider recycling if possible.
- Do not dispose of the Armorer's Block in regular household waste.
