AR15 Lower Punch Set Safety Instruction Guide

Introduction

Thank you for choosing the AR15 Lower Punch Set by Brownells. This handy 7piece kit is designed to assist you in safely assembling and disassembling your AR15 lower receiver without damaging the gun's finish or the pins themselves. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the workspace is clean and organized to avoid accidents.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, while using this tool.
- Keep the tool out of reach of children and vulnerable individuals.
- Regularly inspect the punches and holders for signs of wear or damage before use.
- Do not use the tool for any purpose other than its intended use.
- If you experience any discomfort or pain while using the tool, stop immediately and consult a professional.

Specific Safety Precautions for Use

- **Pin Punches:** Use the correct size punch for the pin you are working with to avoid damaging the pin or the receiver.
- **Nylon Punch:** Always use the nylon punch for delicate finishes to prevent marring or scratching.
- **Bolt Catch Pin Punch:** Ensure the punch is properly aligned with the bolt catch pin to avoid slipping and potential injury.
- **Roll Pin Holders:** Utilize the roll pin holders to stabilize the pins during installation or removal.
- **Work Environment:** Perform all operations in a welllit area to enhance visibility and reduce the risk of accidents.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and ensure your workspace is free from distractions.
- Inspect the AR15 lower receiver and the punches to ensure they are clean and free from debris.

2. Using the Punches:

- Select the appropriate punch for the pin you need to remove or install (e.g., 1/4" pin punch, 1/16" roll pin punch).
- If using a roll pin, insert it into the roll pin holder for stability.
- Align the punch with the pin and gently tap it with a hammer until the pin is fully seated or removed.
- For the bolt catch pin, ensure the punch is positioned correctly to avoid damaging the receiver.

3. PostUse:

- After completing the assembly or disassembly, clean the punches and store them in a safe place.
- Inspect the lower receiver for any signs of damage before reassembling the firearm.

Disposal Instructions

- Dispose of any damaged or worn punches in accordance with local regulations.
- Do not dispose of the tool in regular household waste. Instead, consider recycling options available in your area.
