# Safety Instruction Guide for AR15/M16 Buffer Tube 2 Position MilSpec

## Introduction

Thank you for choosing the Brownells 2Position MilSpec AR15 Buffer Tube. This product is designed to enhance the performance of retrostyle AR15 rifles while ensuring safety during use. Please read this safety instruction guide carefully to ensure safe installation, usage, and disposal of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and firearm components with care and follow all safety protocols.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check the product for wear and damage before use.
- In case of any accidents or unsafe conditions, report them to the authorities.
- Stay informed about any recalls or safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Before installation, ensure that the firearm is unloaded and pointed in a safe direction.
- Wear appropriate safety gear, such as safety glasses, when handling the buffer tube.
- Avoid modifying the buffer tube or using it in any way not specified by the manufacturer.
- Ensure that the buffer tube is compatible with your AR15 model to prevent malfunctions.
- Do not exceed the recommended limits for weight and use as specified in the product specifications.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure the firearm is unloaded and safe.
- Remove the existing buffer tube if applicable.
- Align the Brownells 2Position MilSpec Buffer Tube with the receiver.
- Securely fasten the buffer tube using the appropriate castle nut and wrench.
- Ensure the buffer tube is locked in place before proceeding.

### 2. Usage Instructions:

- After installation, conduct a function check to ensure proper operation.
- Regularly inspect the buffer tube for any signs of wear or damage.
- If any issues arise during use, discontinue use immediately and consult a qualified gunsmith.

## Disposal Instructions

- Dispose of the buffer tube in accordance with local regulations.
- If the product is damaged or no longer in use, ensure it is securely stored until proper disposal can be arranged.
- Recycle materials where applicable, following local guidelines for metal recycling.

## Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Brownells 2Position MilSpec AR15 Buffer

Tube, please consult the manufacturer or a qualified professional. It is essential to have a reliable point of contact for any safety inquiries or product issues.

By following these safety guidelines, you can ensure a safe and enjoyable experience with your Brownells product. Thank you for your attention to safety and responsible firearm handling.
