

RETRO 4X CARRY HANDLE SCOPE - BROWNELLS 4X21MM FINE DUPLEX BDC TURRETS, BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

Retro Looks, Modern Function - The Right Optic for Your Retro Rifle!

We actually tracked down the original company that manufactured the Colt® AR-15 optics of the 1970s and asked them to build a new one for us as close to the original as possible - right down the yellow inspection stickers. Like the Retro Rifles themselves, the Brownells Retro 4x Optic has updated technology under the hood. The result is a scope that looks just like the original but has optical clarity and performance that are head and shoulders above it. Fully Multicoated lenses are fog and waterproof BDC click-adjustable elevation turret Manufactured in Japan with high quality internals and lenses The Retro 4x Carry Handle Optic sports a simple, intuitive fine duplex reticle, like the original, and an elevation turret with BDC (ballistic drop compensated) clicks that closely match modern .223/5.56 55gr and 62gr ammo. As its name indicates, the Retro 4x comes with an integral carry handle mount that easily attaches to most AR-15 carry handles - no tools required. As with all products we sell, this scope is fully backed by our Forever Guarantee.

Attributes

Safety Instruction Guide for the RETRO 4X CARRY HANDLE SCOPE

Introduction

Thank you for choosing the RETRO 4X Carry Handle Scope. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective experience with your new product. Please read this document carefully before using the scope.

General Safety Guidelines

- Ensure the scope is used only for its intended purpose.
- Always follow local laws and regulations regarding the use of firearms and optics.
- Keep the scope out of reach of children and vulnerable individuals.
- Inspect the scope for any damage before each use. Do not use if damaged.
- Avoid exposing the scope to extreme temperatures or moisture, which could affect its performance.
- Be aware of your surroundings when using the scope to prevent accidents.

Specific Safety Precautions for Use

- **Optical Clarity:** The scope is designed for optimal performance. Avoid looking directly at the sun through the scope, as this can cause permanent eye damage.
- **Mounting:** Ensure the scope is securely mounted to the carry handle before use. A loose scope can lead to misalignment and inaccurate aiming.
- **Adjustment Turrets:** Use caution when adjusting the elevation turret. Make sure you understand how the BDC (ballistic drop compensated) clicks work to avoid miscalculating your shots.
- **Cleaning:** Use a soft, dry cloth to clean the lenses. Avoid using harsh chemicals or abrasive materials, as these can scratch or damage the optics.
- **Transport:** When transporting the scope, use a protective case to prevent damage.

Instructions for Installation and Usage

Installation

1. **Prepare the Rifle:** Ensure the rifle is unloaded and pointed in a safe direction.
2. **Mount the Scope:**
 - Align the integral carry handle mount with the carry handle of your AR15.
 - Slide the scope into position until it is securely seated.
 - Ensure the scope is level and adjust as necessary.
3. **Secure the Scope:** Once aligned, ensure the scope is firmly attached. No tools are required for this process.

Usage

1. **Eye Relief:** Position your eye approximately 3.11 inches from the eyepiece to ensure proper viewing without injury.
2. **Adjusting the Reticle:** Use the fine duplex reticle for accurate aiming. Familiarize yourself with the reticle pattern before use.
3. **Elevation Adjustment:** Use the BDC clickadjustable elevation turret to compensate for bullet drop based on the ammunition you are using.
4. **Magnification:** The maximum magnification of this scope is 4x. Adjust as necessary for your shooting conditions.

Disposal Instructions

When disposing of the scope, please follow local regulations for electronic waste and optics disposal. Do not dispose of the scope in regular household waste. Consider recycling options or returning it to the manufacturer if applicable.

Contact Information for Further Support

For any inquiries or support related to the RETRO 4X Carry Handle Scope, please refer to the manufacturer's website or customer service resources.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the RETRO 4X Carry Handle Scope.
