Safety Instruction Guide for ACID BRUSH BROWNELLS #3

Introduction

Thank you for choosing the ACID BRUSH BROWNELLS #3. This brush is designed for various applications in your workshop, such as spreading glue, applying stain, and cleaning out actions. To ensure safe use and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

General Safety Guidelines

- Always use the brush for its intended purpose to avoid accidents.
- Inspect the brush before each use to ensure it is in good condition. Do not use if damaged.
- Keep the brush out of reach of children to prevent misuse or accidents.
- Ensure your workspace is welllit and free from hazards before using the brush.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Handling:**
 - Hold the brush by the handle to avoid contact with the bristles.
 - Avoid using excessive force when applying products to prevent bristle damage.
- **Chemical Safety:**
 - Use in a wellventilated area when applying chemicals such as glue, stains, or solder flux.
 - Wear appropriate personal protective equipment (PPE) such as gloves and goggles if necessary.
- **Cleaning:**
 - Clean the brush after each use to maintain its effectiveness and longevity.
 - Store the brush in a dry place to prevent bristle deformation.
- **Disposal:**
 - Dispose of the brush responsibly, following local regulations for waste disposal.

Instructions for Installation and Usage

1. Preparation:

- Gather all materials needed for your project alongside the brush.
- Ensure that your workspace is organized and free of clutter.

2. Using the Brush:

- Dip the bristles into the desired substance (e.g., glue, stain, solder flux).
- Apply the substance evenly to the target area using gentle, sweeping motions.
- For cleaning, use the brush to remove debris or filings from tools or surfaces.

3. PostUse Care:

- Rinse the bristles thoroughly with water or the appropriate solvent to remove any residue.
- Shake off excess water and reshape the bristles if necessary.
- Store the brush upright or in a designated holder to maintain its shape.

Disposal Instructions

- Dispose of the brush in accordance with local waste disposal regulations.
- If the brush is no longer usable, consider recycling options where available.
- Do not dispose of the brush in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries or safety concerns regarding the ACID BRUSH BROWNELLS #3, please refer to the manufacturer's contact information provided on the packaging or product documentation.

By following these guidelines, you can help ensure a safe and effective experience while using the ACID BRUSH BROWNELLS #3. Thank you for your attention to safety and compliance.
