

UNIVERSAL BUTT PLATE MEDIUM - BROWNELLS UNIVERSAL MEDIUM BUTT PLATE BLACK POLYMER

[Rifle Parts](#) > [Stock Parts](#) > [Butt Plate Parts](#) > [Butt Plates](#)

Speed up the restoration of that classic shotgun or rifle by replacing a worn, chipped, or cracked buttplate with an affordable, grind-to-fit replacement of moldable polyurethane resin. Durable resin looks and feels like the hard rubber, Bakelite, or black plastic used for the original buttplates on many of these guns, and will not shrink, swell, or crack over time. Proprietary molding process uses the highest-quality molds engineered to prevent unsightly "flash" and air bubbles on the finished product. Grinds easily without flaking or fracturing. Includes fine-line, horizontal serrations often found on period buttplates, but without the tricky borders that make grinding the sides difficult. Heat briefly in boiling water or microwave to soften the resin so it can be molded to the contour of your stock; the shape sets up well once cooled and is extremely durable. Drilled and counterbored to accept two #12 buttplate screws, available separately.

Attributes

- Name: [BROWNELLS UNIVERSAL MEDIUM BUTT PLATE BLACK POLYMER](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 080003976
- Mfr. No.: B330M
- Finish: Black
- Material: Polymer
- Size: 5
- Weapon type: Universal Rifles, Universal Shotguns
- Delivery weight: 0.023kg
- Shipping height: 5mm
- Shipping width: 76mm
- Shipping length: 140mm

Universal Butt Plate Safety Instruction Guide

Introduction

Thank you for choosing the Universal Butt Plate. This product is designed to enhance the performance and comfort of your shotgun or rifle. To ensure safe and effective use, please read this safety instruction guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the Universal Butt Plate is suitable for your specific firearm model before use.
- Always handle firearms with care and follow all safety protocols when working with or around them.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the butt plate for any visible damage before installation. If damaged, do not use.
- Use the product only for its intended purpose as described in this guide.

Specific Safety Precautions for Use

• Installation Precautions:

- Wear safety glasses when grinding or modifying the butt plate to protect your eyes from debris.
- Use appropriate tools and work in a wellventilated area to avoid inhaling dust particles.

• Use Precautions:

- Ensure the butt plate is securely attached before using the firearm.
- Regularly check the butt plate for signs of wear or damage and replace if necessary.
- Avoid exposing the butt plate to extreme temperatures or chemicals, as this may affect its integrity.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools: a grinding tool, safety glasses, and a heat source (boiling water or microwave).
- Ensure the firearm is unloaded and in a safe position.

2. Fitting the Butt Plate:

- Briefly heat the butt plate in boiling water or microwave to soften the resin.
- Carefully mold the softened butt plate to the contour of your firearm's stock.
- Allow the butt plate to cool and set in the desired shape.

3. Grinding the Butt Plate:

- Use a grinding tool to shape the butt plate as needed.
- Grind slowly and carefully to avoid flaking or fracturing.
- Ensure that the fineline, horizontal serrations are maintained during the grinding process.

4. Attaching the Butt Plate:

- Drill and counterbore the butt plate to accept two #12 buttplate screws (screws are sold separately).

- Securely attach the butt plate to the firearm stock using the screws.

5. Final Check:

- Ensure that the butt plate is firmly attached and does not move when pulled.
- Conduct a final inspection to confirm that there are no sharp edges or protrusions.

Disposal Instructions

- Dispose of any unused or damaged butt plates in accordance with local regulations.
- Do not incinerate the butt plate as it may release harmful fumes.
- If you need to dispose of the product, consider recycling options if available.

Contact Information for Further Support

For any questions or concerns regarding the Universal Butt Plate, please reach out to the manufacturer or your local retailer for support. Always refer to the product packaging for specific contact details.

By following these guidelines, you can ensure the safe and effective use of the Universal Butt Plate. Thank you for your attention to safety.
