Safety Instruction Guide for STAINLESS STEEL SIGHT BASE SCREWS BROWNELLS 648X1/2" WEAVER OVAL SS SCREW REFILL 24 PACK

Introduction

Thank you for choosing the STAINLESS STEEL SIGHT BASE SCREWS from BROWNELLS. This product is designed to provide reliable performance for your sight mounting needs. Please read this safety instruction guide carefully to ensure proper use and handling of the screws.

General Safety Guidelines

- Ensure that you are using the screws for their intended purpose only.
- Keep the screws out of reach of children and vulnerable individuals to prevent accidental ingestion or injury.
- Regularly inspect the screws for any signs of damage or wear before use.
- If you notice any defects, do not use the screws and dispose of them properly.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as goggles and gloves, when handling tools and screws.
- Avoid using excessive force when installing or removing screws to prevent stripping or damaging the material.
- Ensure that the installation area is clean and free from debris to avoid accidents during installation.
- Do not mix different types or sizes of screws, as this may lead to improper installation and potential hazards.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a screwdriver that fits the screw head.
- Ensure that the area where you will be working is welllit and organized.

2. Installation Steps:

- Align the screw with the mounting hole on your sight base.
- Insert the screw into the hole and turn it clockwise using the screwdriver.
- Apply gentle pressure until the screw is snug, but do not overtighten as this may damage the sight or the screw.

3. Removal Steps:

- To remove the screw, turn it counterclockwise using the screwdriver.
- If the screw is stuck, gently wiggle it while turning to loosen it.

4. PostInstallation:

- After installation, check that the sight is securely mounted and that there are no loose screws.
- Store any unused screws in a safe place, away from children.

Disposal Instructions

- Dispose of any damaged or unused screws in accordance with local waste disposal regulations.
- Do not dispose of screws in regular household waste if they are deemed hazardous. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of this product, please refer to the manufacturer's contact information provided on the packaging or product literature.

Thank you for your attention to these safety guidelines. Your safety is our priority.
