Safety Instruction Guide for Stainless Steel Sight Base Screws

Introduction

Thank you for purchasing the Stainless Steel Sight Base Screws by Brownells. This guide provides important safety instructions and usage information to ensure the safe and effective use of this product. Please read this guide carefully before using the screws.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the screws for any signs of damage or wear before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) when handling tools and screws.
- Do not exceed the recommended torque specifications when installing the screws.
- Avoid using damaged or worn screws, as they may fail during use.
- Ensure that the installation area is free from obstructions and hazards.
- Follow the manufacturer's instructions carefully to prevent accidents.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a screwdriver compatible with the fillister head screws.
- Ensure that the surface where the screws will be installed is clean and dry.

2. Installation:

- Align the screw with the predrilled hole.
- Insert the screw into the hole and begin turning it clockwise using the screwdriver.
- Apply even pressure and do not overtighten the screw to avoid stripping the hole.
- Ensure that the screw is flush with the surface after installation.

3. Usage:

- Use the installed screws only for their intended purpose, such as securing sight bases.
- Regularly check the screws to ensure they remain tight and secure.

Disposal Instructions

- Dispose of any unused or damaged screws in accordance with local regulations.
- Do not dispose of screws in household waste; check for local recycling programs or hazardous waste disposal sites.

Contact Information for Further Support

For any inquiries regarding product safety or performance, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety is our priority.
